June 2025

Dear Parents,

Summer packets and supply lists are being sent home with your child today. The summer packets are required to be completed and returned to the teacher during the first week of school in September. (For Pre-K3 and Pre-K4 students, even though we are asking for them to choose 2 books to read, only one book report is required.)

For **returning students** going into grades 3 – 8 in September, 20% of your grade for the Math packet will be scored through the IXL summer requirement. Please refer to "IXL Summer Boost: Math" pinned to your child's IXL Dashboard. The Skill Plan can be found by clicking the "Learning" tab.

Items on the supply lists may be purchased by you or ordered through the School Tool Box Company (please see the attached flyer). When ordering, enter our school name or zip code to locate our school. Please allow ample time to be able to receive your order prior to the start of school.

Thank you.

Respectfully yours,

Mrs. Filomena D'Amico
