July 25, 2025

Dear Academy of Our Lady of Grace Families,

On behalf of the School Communication Committee (SCC), thank you for your generous support of our fundraisers and initiatives throughout the school year. Your time, enthusiasm, and contributions have been instrumental in enriching the school experience for all our students. Please take a moment to view the attached infographic highlighting SCC-led successes from the 2024–2025 school year.

As shared on the school's social media, we recently held our annual planning meeting and are thrilled about what's ahead in 2025–2026! From engaging, family-friendly events to impactful fundraisers that directly support our students and staff, the coming year promises to be another memorable one—thanks to your continued involvement.

We appreciate your support in the year ahead as we work together to strengthen our vibrant school community. During this upcoming school year, I will allocate the funds raised to help offset the cost of repainting all the hallways and will install central air in the cafeteria.
