October 2025

Dear Parents,

As we begin the beautiful month of October, filled with the colors of fall and the spirit of reflection, I want to take a moment to share some important updates.

Standardized Testing

Over the next two weeks, our students will be participating in standardized assessments. These tests help us understand each child's academic progress and guide our instructional planning. We ask for your partnership in ensuring your child is well-rested, arrives on time, and is encouraged to do their best. A calm morning and a confident mindset go a long way!

Attendance Matters

If your child is feeling unwell, please communicate with the nurse/teacher. Kindly have students dropped off by 8:10 a.m. All students are expected in the door by that time to avoid late passes that are recorded on your child's report card. Please make every effort to have your child present during testing days. Absences during this time can disrupt the testing schedule and may require make-up sessions.

Morning Drop-Off Procedures

To support a smooth and peaceful start to each day, we kindly remind all families to follow our drop-off guidelines. Please remain in your vehicle, follow the traffic flow as directed by staff, and avoid parking in undesignated areas. Your cooperation ensures safety and efficiency for all.

Halloween Festivities

We're excited to announce our upcoming Halloween celebrations! On Friday, October 31st, students are invited to wear festive costumes (no masks or weapons, please) and enjoy a day of fun, faith-filled activities. Our annual Trunk-or-Treat and classroom parties will take place in the morning/afternoon. Registration for Trunk-or-Treat and volunteer opportunities will soon open - please check your email. We look forward to a joyful and safe celebration for all!

Protecting God's Children

Parents who are not up to date or do not follow the set protocol will not be allowed to volunteer. Kindly check your status if you plan to volunteer.

Principal's Perk

Friday, October 24th at 8:15am. Join me for conversations and updates on school happenings!

As always, thank you for your continued support and for entrusting us with your child's education and spiritual growth. May this month be filled with grace, learning, and joy.

Warm Regards,

Filomena D'Amico
Principal
