

Focusing Our Faith

Session 4: From Pentecost to Proclamation - Acts Chapters Eight and Nine

Discussion Questions

1. Jesus instructed us to Go, Make, Teach, and Baptize. Have you seen yourself as someone called – and empowered – to live the Great Commission? How do you accomplish it? What are the obstacles? How do you overcome those obstacles?
2. There are many surprises on our journey of Faith. Have there been times when you might have thought that you were lost or defeated, only to become more than you ever thought?
3. Jesus said he would be with us always. Have you felt Jesus accompany on your Faith Journey? Are there times when you haven't felt His presence? How do you rekindle your relationship with Jesus if it fades?
4. Is there someone (friend, family member, Saint, etc.) that inspires you by the way they overcome difficulties? What is it about this person that resonates with you? How do you emulate them in your Faith life?
5. If you met someone who was having great difficulty living out their Faith, what would you tell them? Is there an example from your life story that you might tell them?
