The faith of the centurion

The key to faith is: live according to the things you say you believe.

Confidence in our prayers comes from the way we live.

4th Sunday after Pentecost - Matthew 8:5-13

“Go thy way; and as thou hast believed, so be it done unto thee.”

In our world today when things are made to appear to be easy, belief is almost magical to people. They disassociate faith from their actions and life priorities. Faith is not from magic. It's not something that just appears. It is from the way we live. This is the message the Lord was pointing out to the centurion in today's Gospel.
