

Why Choose OhioHealth

OhioHealth is a nationally recognized, innovative healthcare system delivering world-class patient care. We are a family of 35,000+ associates, physicians and volunteers, with a network of 12 hospitals, 200+ ambulatory sites, hospice, home health, medical equipment and other health services spanning 47 Ohio counties.

OhioHealth is a Great Place to Work. But don't take our word for it! Thanks to our people, we're proud to be a Fortune 100 Best Companies to Work For® 2022, PEOPLE Companies that Care® 2021, and certified Great Place to Work. Here is how we stand out:

- + **Supporting your physical and emotional health** – We offer insurance benefits, physical and emotional wellness resources, cash rewards and discounts to help you and your family live a healthy lifestyle.
- + **Learn and develop** – You will grow in a learning environment that fosters community. Offerings include generous tuition reimbursement, educational partnerships with opportunities for no-cost degrees and certificates, coaching through career paths, workshops, training events, and access to educational webinars.
- + **Be challenged** – Work in an atmosphere that both challenges and rewards your dedication, exploration and innovation.
- + **Inspire others** – Thanking and celebrating each other is fundamental to our culture from big events to day-to-day recognition. Inspire, our recognition platform, is an easy way to recognize and be recognized for living our organizational values. You can redeem Inspire points for gift cards or merchandise.
- + **Take time for you** – To take care of others, we must first take care of ourselves. We respect your time off and are flexible in scheduling.
- + **Get involved** – Through our many Business Resource Groups (BRGs) and Diversity & Inclusion Councils, you can join a network with others of shared interests to build understanding and advocacy for others. We also can help you navigate dozens of volunteer opportunities to support the communities we serve.

Start and advance
your healthcare career
with OhioHealth

Are you ready to start or advance your career in healthcare? With OhioHealth, you can work while pursuing a college degree or certificate at low to no out-of-pocket costs with OhioHealth’s education benefits.

Take the first step: apply for an entry level role at OhioHealth

Part-time and full-time opportunities are available for young adults 18 and older in critical need, entry-level roles. These roles are critical to ensuring we deliver the best patient experience and support our hospital operations.

- + **Patient Support Assistant (PSA)**
Assist Registered Nurse in providing direct patient care to multiple patients at a time on a designated nursing unit.
- + **Environmental Services Associate**
Clean and maintain defined areas such as patient rooms by completing tasks that support the department and health system processes.
- + **Patient Escort**
Transport patients in a safe and efficient manner to and from various destinations.
- + **Food Service Worker 1**
Responsible for set-up, service, and cleanup of all aspects of food service.
- + **Parking Attendant**
Ensures associates, visitors, and patients arrive safely at their destination.
- + **Safety Aide**
Provides hygiene, comfort, and safety needs to an assigned patient under direction of the Registered Nurse.
- + **Host**
Acts as the liaison between the patient, food and nutrition services and nursing services, to communicate all patient food needs and ensure patient satisfaction.
