17TH SUNDAY IN ORDINARY TIME

"The kingdom of heaven is like a treasure buried in a field, which a person finds and hides again, and out of joy goes and sells all that he has and buys that field." - Mt 13:44

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

©LPI

HAVE YOU
FOUND "THE
PEARL OF
GREAT
PRICE"?

From Father Joe,

King Solomon asked for an understanding heart...true wisdom to know God's way. His desire is characterized in the heart of the person who sells everything to buy the treasure-bearing field or the merchant who risks his livelihood to buy the pearl of great price. The three mini parables and one concluding simile, in the Gospel, opens for us the extraordinary value of God's Kingdom. Possessing that treasure exhibits true understanding and demands a determination and total commitment to obtain it.

The Kingdom of God is God's reign in our hearts, in our lives, in our homes, in our society, and in our world. Only those who develop a searching mind and a heart willing to give up everything for the great treasure of God's Kingdom will find the great reward. Jesus teaches us that identifying God's will and cooperating with it throughout our lives will ultimately disclose the most precious and worthwhile things in life...eternal salvation. We should live every moment in view of our precious goal.

Most of the time, we are chasing false treasures that eventually will not belong to us. The frustration of losing them will most likely show us the futility of our search. Thus, the really valuable "pearl" of sharing in God's life through Jesus here on earth and later in Heaven, is never found. Let us always remember that Heaven is within the reach of all of us who try to do the will of God, following the ordinary vocations of life and enjoying this world's joys and enduring life's challenges throughout our lives. When we do this, we are already living in the Kingdom of Heaven while we are still on earth. That which we discovered and valued most will be an opened treasure and valuable gem that is ours for keeps.

To date, our parish has raised **\$235,817** toward our **Diocesan Faith and Charity Catholic**

Appeal. We are short of **\$34,000** to make our goal. If you have already pledged, please fulfill your contribution and Thank You for your

support. If you have yet to make a gift, please prayerfully consider a donation and help our parish achieve our goal. Money collected over our goal returns to our parish.

The Faith and Charity Catholic Appeal assists a number of ministries and services throughout Delaware and the Eastern Shore of Maryland. The seminarians studying for our Diocese, Catholic education, outreach to the needy as well as our diocesan newspaper...The Dialog are some of the areas supported by this appeal. It is through the generosity of our parishioners that these

ministries will be able to fulfill the Church's mission. Together, we work toward Shining the Light

The Cathedral of Saint Peter, in the historic Quaker Hill section of the City of Wilmington, is the Bishop's own parish and the center of Catholicism in our diocese. It was built over 200 years ago – 50 years before the founding of the Diocese of Wilmington - and continues with a small but dedicated parish community and school. In 2015, the diocese instituted an annual special collection to support the maintenance and ministry of our Cathedral. **This year, the collection will be held on August 12th & 13th.** More information is available at www.cathedralofst peter.com. You can make a secure, online donation at www.cdow.org/cathedral.

 An advertisement for St. Mary's Preschool. It features large, colorful numbers (0-9) and the text "Join our team!" in a stylized font. Below the text, it says "Now Hiring Part-time Teaching Assistants Tues./Thurs. 8:30 a.m. - 12:30 p.m. with additional hours possible." It includes a drawing of two children and the text "St. Mary's Preschool Hockessin, Delaware". At the bottom, it says "For more information, email preschool@smachurch.com". The background is yellow.

Listen to Catholic Forum each week. Next Saturday, August 5th, tune-in for part-one of our two-week salute to Father Roberto Balducelli, OSFS, who passed away 10 years ago, on August 9, 2013. On this episode we will hear highlights from an interview with Father Roberto from 2006. Catholic Forum airs on Saturday afternoons at 1:30 on Relevant Radio 640. — ST. THOMAS AQUINAS —

Christ in Our Neighbor

You know full well—for all have had the painful experience how some people can give you courtesy, fair dealing and all the outward seeming's of Christian charity, and yet leave it evident that they have no real respect for you. In such cases how do you instinctively react? You bristle like a dog. Those civilities on rile you as if they were in cults. Grateful? Attracted by the givers? Not at all! For they are considerate to you only as they would be kind to animals. It is their code, and they meticulously conform to it to it where it touches you. In much the same spirit they would oil and clean their cars. You are little more to them than those animals or the mechanisms that they own. You are only a device for serving them or through which they love and serve themselves. You are only the stage on which they are playing their effective role. You are the screen on to which they throw their imagined perfections, so that they appear substantial and real. You are the mirror into which they gaze and see what they want to see about themselves. It is not your colour, warmth, beauty, life, that they see in you, but their own. If people have that detached attitude in regard to you, nothing that they do for you will satisfy you. Their acts of service will only see, like offensive patronage to you. A cynic has said" "One would need a godlike nature to receive a favour and yet love the giver." What! Yes; therein is hid a mighty truth. For most favours imply superiority—which men resent, However great the favour. So, if I have not been vehement enough up to the present, let me now be stronger and say: you can be unkind, unjust to men ; steal from them, oppose them, ill-treat them in diverse ways; you may even make war on them. All that they can allow for an forgive. But stop short at that capital sin against your fellowman—that attitude of impersonal contempt. For it will stir up in him gull of a peculiar kind which will permanently poison his system against you. Have I been depicting a monster? No, simply digging down a little into human nature and exposing the Old Adam who lurks there stinking with pride and self-sufficiency. He will absorb us if we play his game. So we must do the opposite. The opposite to being proud is to be respectful to all men. But note two paramount considerations" (a) the acid-test of respect is that it is to be manifested towards people at times when—humanly speaking—they do not deserve it; (b) the Legion Handbook, when laying down the law on this subject, does not propose to us the sort of respect which equal offers to equal, bu the respect of the inferior for the superior, of the servant for the Lord. Is this prescription rushing to extremes? No. For the ultimate basis of Christian respect is recognizing of Christ in our Neighbor.
