

Our Lady of Grace Catholic School

Week 10

The mission of Our Lady of Grace Catholic School is to provide an academically superior education in a secure environment focused on Catholic identity for creating educated, spiritual leaders for the future.

A Message from the Principal:

Dear OLG Families,

We are blessed to enter Week 10 of school! Thank you for your continued partnership and the many ways you support our students and staff.

Faith and Community

Our faith continues to be the foundation of all we do. Please join us for school Mass each Friday at 8:30 a.m. as we grow in faith as one OLG family.

Academic Updates

We are closing out the first quarter this week. Teachers will be sending reminders and updates to ensure every student finishes strong. Looking ahead, our Quarter 2 Reading Challenge begins Monday, October 20. More information will be shared soon! Thank you for encouraging a love of reading at home.

Campus Life

A huge thank you to our PTC, parent volunteers, community members, and sponsors for making our Bingo for Bags fundraiser such a wonderful success! Events like these not only support our school financially but also bring our families together in fellowship and joy.

Safety and Security

Thank you for continuing to follow all arrival and dismissal procedures and keeping car tags visible. Our staff continues to practice safety drills with students in calm, age-appropriate ways to keep everyone prepared. If your phone number, email, or address has changed, please let the office know so you continue to receive important updates. As always, I am grateful for your trust, prayers, and support. Together, we are making OLG a place where faith, learning and community flourish.

With gratitude,
Ms. Valdez, Principal

Student of the Week!

Luke Halfmann

Luke was nominated by his 4th grade teacher, Mrs. Lee, for demonstrating the virtues of Charity and Prudence. He is a very responsible and kind student who consistently goes out of his way to help others. Luke has assisted a classmate with reading, helped with guitar, set out name tags before school, and is always eager to support his classmates and teacher when needed. Great job Luke!
