

Our Lady of Grace Catholic School

Week 13

The mission of Our Lady of Grace Catholic School is to provide an academically superior education in a secure environment focused on Catholic identity for creating educated, spiritual leaders for the future.

A Message from the Principal:

Dear OLG Families,

We are entering Week 13 of school, and I continue to be grateful for your partnership, prayers, and support. Our students are growing in faith, academics, and confidence, and your involvement makes such a meaningful difference.

Faith and Community

Thank you for helping us celebrate All Saints Day. Your support in helping your children dress as their chosen saints and your presence at Mass made the celebration extra special. Seeing our students honor the saints and learn about their virtues was a beautiful reminder of our shared mission—to form hearts rooted in Christ.

Academic Updates

Please continue to encourage your child to read every day. Daily reading builds vocabulary, fluency, and confidence, and it directly supports success in every subject area. Our IXL Contest leaderboard is now posted, and students are excited to track their progress as classes complete targeted practice in math and reading. Thank you for motivating your child to participate and celebrating their progress.

Safety and Security

We remain committed to ensuring a secure and welcoming campus for all. If your contact information changes at any point, please notify the office so you continue to receive important updates and emergency notifications.

Thank you again for your ongoing support and partnership. Together, we are building a strong, faith-filled learning community for our students. Let's make Week 13 a wonderful week of growth and gratitude!

With appreciation,

Ms. Valdez, Principal

Counselor's Corner

with Ms. Mani

Red Ribbon Week was a huge success! It was so great to see our students showing their excitement and school spirit all week long.

"Lunches with Mani" have also been going wonderfully — I've really enjoyed spending that special time with students who are making positive choices. I hope this continues to be a fun and meaningful reward for great behavior!

You can find me on campus:

Tuesdays-Wednesdays from 8:00 am-3:30 pm

Thursdays from 8:00 am - 12:30 pm.

Student of the Week! Hattie Grothues

Hattie was nominated by her teacher, Mrs. Lee, for demonstrating the virtues of Charity and Fortitude. As a 5th grade student, she

consistently shows responsibility by turning in her work on time and giving her best effort.

Hattie is kind and helpful to others, showing prudence and charity through her actions. She demonstrates a strong work ethic, takes pride in her projects, and is always willing to share her knowledge with classmates.
