

Our Lady of Grace Catholic School

Week 14

The mission of Our Lady of Grace Catholic School is to provide an academically superior education in a secure environment focused on Catholic identity for creating educated, spiritual leaders for the future.

A Message from the Principal:

Dear OLG Families,

We are entering Week 14 of school, and I want to thank you for your continued support, prayers, and encouragement.

Faith and Community

This week, we take time to honor and pray for all veterans who have served our country. Thank you for helping your children understand the importance of gratitude and service to others. Please join us for our Friday Mass at 8:30 a.m. as we come together in prayer and thanksgiving. Your presence and participation remind our students of the strength that comes from a faith-filled community.

Academic Updates

Students continue to work hard as we move through Quarter 2. Please continue encouraging your child to read daily and to set personal goals in both reading and IXL. Our IXL leaderboard is updated weekly, and students are motivated to see their progress and celebrate their achievements. Consistent practice at home and at school builds confidence and helps students reach their full potential.

Safety and Security

As we enter the cooler months, please make sure that any outerwear worn to school follows our uniform guidelines and is labeled with your child's name. We continue to practice safety drills in calm, age-appropriate ways to keep our students prepared and confident.

I am deeply thankful for your continued partnership and prayers. Together, we make OLG a place where faith, learning, and community grow stronger every week. Let's make Week 14 another wonderful one!

With appreciation,

Ms. Valdez, Principal

Student of the Week!

Logan Rakowitz

Logan was nominated by PK-3 teacher Mrs. Evans for demonstrating the virtue of charity—showing kindness and love to others. He is always willing to help when asked and does so with a joyful heart. Logan sets a wonderful example for our youngest PK-3 angels through his caring actions and positive attitude each day.

School Uniforms Q & A

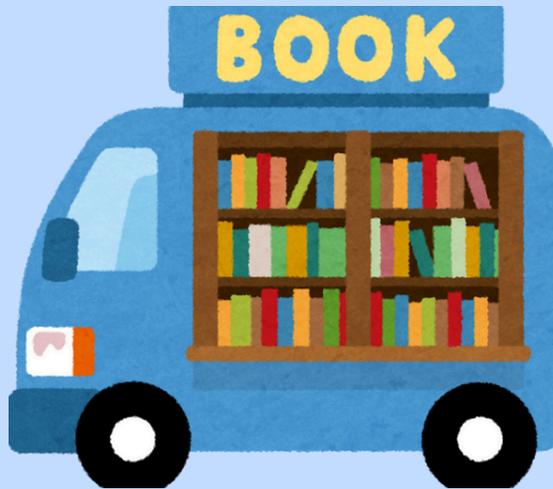

As winter approaches, we wanted to answer a few questions regarding dress code.

- Students may wear a navy blue spirit sweatshirt while in class on any day of the week. This must have the OLG logo.
- Students may wear any color jackets to/from school, however, they may not be worn inside the classroom. Only navy sweaters, sweatshirts, or jackets may be worn while on campus.
- Students may wear beanies (hats) to school, but they must be removed when entering the building
- Only navy blue spirit shirts and sweatshirts may be worn on Thursdays for spirit day.

A HUGE Thank you to Mrs. Ruiz for organizing a great book fair!!

**TRICK
OR
TREAT**

Thank you to everyone who helped make our Trunk-or-Treat a success! Our students had a wonderful time, and we truly appreciate the tremendous support that made this event memorable. Congratulations to the winners of our car-decorating contest: the Cook and Anderson families!

Thank you, Officer Kaufman and K-9 Shay, for taking the time to teach our OLG Angels about keeping our community safe. We appreciate you both!

Thank you to the small businesses who joined us this weekend for our pop-up market, and to everyone who came out to support our local business owners —your presence and encouragement mean so much. A big thank you as well to Mrs. Evans and Mrs. Lopez for organizing and putting together such a wonderful event. We truly appreciate your time, creativity, and dedication!

Great job, Angel Cheer, performing at the Jourdan Pep Rally! We are so proud of you for representing OLG so positively.
