

# ST. CAMILLUS CENTER FOR SPIRITUAL CARE NEWSLETTER

FEBRUARY 2023

## Chaplains on the Move

February 22nd marked the beginning of Lent in which many Christian churches distribute Ashes made from previous year's palms. The Chaplain's at St. Camillus Center had the blessing of distributing ashes to the patients and staff members at LAC + USC Medical Center throughout the day.

This is one of the many gifts that we are able to share in our ministry with those who cannot make it to a church because they find themselves in a hospital bed or are staff on the clock. We live for these moments, providing spiritual care to all we encounter.

May this Lenten journey be a blessing to all.

## IN LOVING MEMORY

As we mourn the unexpected death Bishop David O'Connell, we remember his kind heart and selfless service to all including our chaplains here at St. Camillus.

Bishop David was not only a Catholic Christian and Bishop but a community advocate and voice for so many who society often forgets or chooses to not hear.

As we walk through lent without him standing next to us, may we know he will accompany us in our grief and our standing up to continue his voice, prayer and actions for others.
