CPE students have completed three months of their CPE unit! St. Camillus chaplains continue to pray and accompany them as these past weeks they have gotten the chance to experience chaplaincy inside the hospital with patients at bedside.

Thank you for supporting our mission, you are also a big part of this ministry with your prayers and donations we are able to provide spiritual care to the ill.

HEALING JOURNEY

All day I try to say nothing but thank you, breathe the syllables in and out with every step I take through the rooms of my house and outside into a profusion of shaggy-headed dandelions in the garden where the tulips' black stamens shake in their crimson cups.

I am saying thank you, yes, to this burgeoning spring and to the cold wind of its changes. Gratitude comes easy after a hot shower, when my loosened muscles work, when eyes and mind begin to clear and even unruly hair combs into place.

Dialogue with the invisible can go on every minute, and with surprising gaiety I am saying thank you as I remember who I am, a woman learning to praise something as small as dandelion petals floating on the steaming surface of this bowl of vegetable soup, my happy, savoring tongue.

To Say Nothing But Thank You
Our annual lenten series came to an end after six weeks of gathering in community to share, listen, pray and reflect. We had amazing speakers: Sr. Simone, Cecilia Gonzalez, Fr. James Martin, Marie Dennis, Rev. Alexia Salvatierra, and Megan Mckenna! All brought light to our theme of “Jesus’ Vision For Living the Good News in 2023”.

All funds raised go to our chaplaincy ministry, thank you for your participation and see you next year!
