DID YOU KNOW?

Check your smoke alarms

The National Fire Protection Association (NFPA) recommends that smoke alarms be installed on every level of the home, inside every bedroom, and outside every sleeping area. Keep alarms away from drafts caused by fans or air ducts, as this could blow smoke away from the sensor. The NFPA also recommends that you test your alarms at least once a month, and replace the batteries every six months, or as soon as a low battery chirp is heard. For more information about smoke alarm safety, visit nfpa.org.

¿SABÍA USTED?

Revise sus detectores de humo

La Asociación Nacional de Protección contra Incendios (NFPA, por sus siglas en inglés) recomienda que se instalen detectores de humo en todos los niveles de la casa, dentro de cada dormitorio y fuera de cada área para dormir. Mantenga las alarmas alejadas de corrientes de aire provocadas por ventiladores o conductos de aire, ya que esto podría alejar el humo del sensor. La NFPA también recomienda que pruebe sus alarmas al menos una vez al mes y reemplace las baterías cada seis meses, o tan pronto como escuche un sonido de batería baja. Para obtener más información sobre la seguridad de las alarmas de humo, visite nfpa.org.

MINISTRIES REVITALIZATION PLAN – Attention to all the Extraordinary Ministers of the Eucharist, Lectors, Ushers, Musicians, Sacristans, Parents of Altar Servers and Altar Servers. Mark your calendars for **Friday, August 12th** as we will have a face-to-face meeting at 7:00 pm, to review our revitalization plan for each of our ministries. More information to come!

NATIONAL NEEDS COLLECTION – Throughout the country today this special collection is taken to assist in a variety of needs of the Church in the United States. Several years ago, the American Bishops combined several collections into one including the Catholic Communications Campaign, the Catholic University of America and the Home Missions for Native Americans and African Americans into this one collection. Thank you for your generosity.

ADVANCED HEALTHCARE DIRECTIVES – Following the comments about funeral planning last week, we would strongly recommend having a Durable Power of Attorney for healthcare. It happens often that people get to a stage in life in which they can no longer make their own decisions about their healthcare. If they have not made known their wishes this can be a very serious situation as decisions may be made which are contrary to our Catholic faith. Below is the link to the Healthcare Directives provided by the Archdiocese of Los Angeles. We urge you to download it and complete it and share it with your family. https://lacatholics.org/wp-content/uploads/2020/01/Advanced-Healthcare-Directive.pdf

PLAN DE REVITALIZACIÓN DE MINISTERIOS - Atención a todos los Ministros Extraordinarios de la Eucaristía, Lectores, Ujieres, Músicos, Sacristánes, Padres de Monaguillos y Monaguillos. Marque sus calendarios para el **Viernes, 12 de agosto**, ya que tendremos una reunión presencial a las 7:00 p.m. para revisar nuestro plan de revitalización para cada uno de nuestros ministerios. Más información por venir!

COLECTA DE NECESIDADES NACIONALES – Hoy en todo el país, esta colecta especial se realiza para ayudar en una variedad de necesidades de la Iglesia en los Estados Unidos. Hace varios años, los obispos estadounidenses combinaron varias colecciones en una sola, incluida la Campaña Católica de Comunicaciones, la Universidad Católica de América y las Misiones Nacionales para Nativos Americanos y Afroamericanos en esta única colección. Gracias por tu generosidad.

DIRECTIVAS AVANZADAS DE ATENCIÓN MÉDICA – Siguiendo los comentarios sobre la planificación funeraria de la semana pasada, recomendamos encarecidamente tener un poder notarial duradero para la atención médica. A menudo sucede que las personas llegan a una etapa de la vida en la que ya no pueden tomar sus propias decisiones sobre su atención médica. Si no han dado a conocer sus deseos, esto puede ser una situación muy grave ya que se pueden tomar decisiones contrarias a nuestra fe Católica. A continuación se encuentra el enlace a las Directivas de Atención médica proporcionadas por la Arquidiócesis de Los Ángeles. Te insto a que lo descargues y lo completes y lo compartas con tu familia.

SCHOOL STUDENT NON-DISCRIMINATION POLICY
The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.
The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.
While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.
