

Trinity Catholic Childcare Program (TCCP) Handbook 2021-2022

PHILOSOPHY

The Trinity Catholic Childcare Program (TCCP) strives to meet the child's social, emotional, and physical needs in a warm and nurturing environment. The program offers the child the opportunity to express themselves through physical activities as well as crafts and games.

Program staff members recognize the individuality of each child and understand the needs of children in a sensitive and supportive way.

PURPOSE

The purpose of TCCP is to offer an alternative for parents whose children need care after school in a safe and secure place.

GOALS

- To meet the childcare needs of families in the Trinity Catholic community.
- To provide a safe and comfortable environment for the child.
- To provide activities which allow the child freedom of choice and promote courteous social interaction and learning.
- To employ a staff who enjoys and understands children and who fosters a loving atmosphere.
- To extend the Christian atmosphere of Trinity Catholic School to our program.

SCHEDULING

TCCP will be in operation starting the first day of school through the last full day of school. TCCP is not open on "snow days" or any other day that Trinity Catholic School is not in session.

The program will be in operation Monday through Friday from 2:35 until 6:00 pm starting on August 30, 2021.

The program will consist of activities that meet the developmental needs and interests of the children.

ENROLLMENT

Children will be enrolled without discrimination in regard to race, religion, sex, national origin, or special needs. Children must be in grades K-8 to be eligible for the program. All registration forms must be completed in full and on file before the child may attend TCCP.

ATTENDANCE SIGN IN/SIGN OUT

After school, the children are to report to the school cafeteria where attendance will be recorded. Once the attendance is recorded, they are considered counted in TCCP and fees are charged accordingly. TCCP cannot assume responsibility for a child until he or she has been checked in. The person who picks up the child must check out with a member of the TCCP staff. A child is only released to an approved person listed on the registration form.

Fees: \$12 per child/per day
\$20 for two children/per day
\$28 for 3 or more children/per day

...There will be a \$25.00 registration fee per child, collected at the time of registration.

We require mutual agreement of the parent(s) or guardian and the program for school children to be permitted to leave the school child program for specific activities in accordance with the requirements specified in rule 3301-32-10 of the Administrative Code.

HEALTH

All medical, dental, and emergency forms must be completed and on file with the program.

Sick children should be at home for their safety and for the well-being of others in the program. Children cannot stay inside unsupervised due to illness.

Children should not attend the program if they have any single symptom of the following symptoms:

- Fever (greater than 100.4)
- New or worsened cough
- Loss of taste or smell
- Sore throat
- Nasal congestion or runny nose

Children should not attend the program if they have two or more of the following symptoms:

- Headache
- Body aches
- New or worsened fatigue
- Nausea, vomiting, or diarrhea

Other symptoms:

- Skin rash
- Evidence of lice
- Stiff neck

- Yellow skin/eyes
- Pinkeye

If a child is suspected of having a communicable disease, the staff will assess the child. The parent will be called to pick up the sick child as soon as possible for any of the above listed symptoms. The child will be removed from the group and isolated in a room not being used in the after school program. While waiting for the parent to arrive, the child will be kept comfortable with a staff member. Linens, blankets, and cots will be disinfected after each use.

First aid treatment is provided for minor cuts, scrapes, and bruises, and a record of all accidents and treatments is kept on file.

A child with difficult or rapid breathing is to be isolated immediately and discharged to the parent.

A child with unusually dark urine and/or grey or white stool is to be isolated immediately and discharged to the parent.

A child with conjunctivitis is to be isolated immediately and discharged to the parent.

MEDICATIONS

We prefer not to administer medications, but on a limited basis, arrangements can be made. We will allow a child to take only personal prescriptions filled by a pharmacist with a label bearing the doctor and child's name with directions for administration. The parent must hand over the medicine directly to a staff member, not the child. Over the counter medications cannot be administered.

SAFETY OF THE CHILD

The safety and well-being of the children is the primary concern in TCCP. To help ensure safety, the following guidelines will apply:

- No child will be left unsupervised. Children in 4th grade and up may be without direct adult supervision only if the adult is within hearing distance.
- Children may be without direct adult supervision in the area used by the program if the children are within sight or hearing of staff, a staff member knows the whereabouts of the children at all times, and staff will check on the children every five minutes and document the observation.
- Children may run errands or use the restroom without direct adult supervision if the children are within hearing of a staff member, a staff member knows the whereabouts of the children at all times, and a staff member checks on the children every five minutes.
- When a group of children are outdoors, a staff member must be able to summon another adult without leaving the group alone or unsupervised. A school child fourth grade or older may leave the group to summon an adult.
- A staff member trained in first aid, CPR, communicable diseases, and child abuse/neglect recognition and prevention is always on duty.

- Written reports will be filed for any accidents or incidents. A copy will be given to the parent.
- There will be monthly fire and tornado drills.
- All plans of evacuation are posted.
- A phone is available for all emergencies.

COVID guidelines will be followed which include masking, sanitizing and handwashing. We will follow the guidance of the Covid protocols established by the Diocese of Columbus.

DRESS CODE

Children may wear their uniforms to TCCP or can change into “play clothes” after our snack time. All clothes should be labeled with the child’s name to ensure possession. Personal belongings are the child’s responsibility including all electronic devices. The TCCP staff will not be responsible for any lost or misplaced possessions.

SNACK

A nutritious snack and drink is provided as part of the TCCP program. We usually offer an alternative snack if needed.

If there are any known allergies, it is very important that this information is conveyed on the child’s registration form as well as verbally to the staff.

TCCP rules and limits are set to prevent harm to self and others and to prevent damage to property. The rules are also to prevent infringement on the rights of others. The rules are in effect for ALL children at ALL times. Harassment of any type (verbal, non-verbal, or physical) demonstrates a lack of respect for another person and against our Catholic values.

Harassment, including harassment of another based on a person's race, religion, sex, national origin, personal appearance, or impairment is grounds for discipline. In the case of serious or recurrent incidents, parents may be called to pick up the child. The child could be suspended, and a parent conference may be requested. After suspension, if the child's behavior does not improve, the child may be dismissed from TCCP.

Children are a part of the rule setting process. They are developed and discussed with the children and are posted so that children can see them on a daily basis.

HOMEWORK

We have designated homework/quiet time daily. If a child does not have homework, they will be asked to use the time to read quietly. The TCCP staff will help with minor questions with homework.

CHILD PICK-UP

A doorbell is to the right of door #2 at the school. Please ring the doorbell and wait for a staff member to answer. Parents must remain outside of the building—your children will be brought to you. If the children are playing outside, be sure to check out your child with a member of the

TCCP staff. Children who are checked out of the program must leave the building or property with their parent or authorized person.

COMMUNICATION BETWEEN THE SCHOOL AND AFTER CARE PROGRAM

The principal regularly monitors the After Care program in person and with the use of files and records.
