Congratulations to the 35 youth from our parish who were Confirmed last Sunday. We were blessed to have Bishop Hoeppner anoint them with Sacred Chrism as they each received the gifts of the Holy Spirit. Our parish will be blessed as these young Christians share those gifts with us. They did a very nice job of answering the Bishop's questions about the Saints they had chosen.

In this Sunday's Gospel according to John, Jesus the Good Shepherd says, "A good shepherd lays down his life for the sheep." He continues, "I am the good shepherd, and I know mine and mine know me, just as the Father knows me and I know the Father, and I will lay down my life for the sheep." It is good to be part of the flock that knows him. We have a responsibility however to the other sheep, that do not know him. Jesus wants all to be part of the flock that knows him and believes in him. He wants all to hear his voice and be part of the one flock, loved by the one shepherd. Jesus laid down his life on the cross and rose again on Easter so that everyone who hears and believes will receive salvation. Is there a friend or neighbor that you might want to invite to join you at Mass? Are you praying for family/friends who have forsaken their Christian roots? What can you do to feed God's sheep?

This Sunday evening, April 26th, at 5:00 PM is our monthly Holy Hour. The theme of this month's Holy Hour is "Respect of Life." We will be celebrating and praying for the respect for all life, from conception to natural death. Please join us.

Next Sunday, May 3rd, we will have 58 children here in our parish receiving their First Holy Eucharist. What a wonderful celebration this will be! Please include them in your prayers this week.

## Seasons of the Moral Life

Theology Day at Saint John's School of Theology and Seminary  
As we get older, our conceptions of the moral life might change or need deepening. Familiar and learned frameworks, rules, and standards might not address or answer our current questions. Join Kathy Lilla Cox, Ph.D., as she explores new developments in neuroscience and psychology. She shows how these advances in science can help us deepen our understanding of the human person, show us our capacity for change, and have significant implications for morality as we age. **April 28, check-in from 6 to 6:30 PM and presentation from 6:30 to 9 PM, Saint Joseph Catholic Church, Maple Grove.** Free event. ## Mary in History and Theology

Theology Day at Saint John's School of Theology and Seminary  
A great deal of what we know about the Blessed Mother is simply a matter of faith and legend. Should that be a problem for contemporary Christians seeking clarification of the Church's teachings? And why should Mary get so much attention, anyhow? Through a historical and theological analysis of Mary, Fr. Michael Patella, O.S.B., seeks in his presentation to construct an understanding of Mary that draws heavily from the Tradition and moves it into the twenty-first century. Fr. Patella is Professor of New Testament at the School of Theology and Seminary at Saint John's University, where he also serves as the seminary rector and director of its Holy Land Studies program. **May 7, check-in from 6 to 6:30 PM and presentation from 6:30 to 9 PM, Basilica, Minneapolis.** Free event. Light refreshments provided. Registration is required: [www.csbsju.edu/sot/theologyday](http://www.csbsju.edu/sot/theologyday), 320-363-3570 or [sot-sem@csbsju.edu](mailto:sot-sem@csbsju.edu).

**Thank you for supporting the  
Catholic Schools Raffle!**

## St. Philip's School raised \$13,210!!

Congratulations to ALL the schools, students and families for all your hard work selling, collecting and keep track of tickets. You did a fantastic job!

**In the last six years, our Raffle has raised more than \$4 million!**

Over the last six years, many people have asked us why Catholic United Financial pays for ALL the costs – ticket printing, marketing materials and prizes. The answer is simple: it's

because this program fits who we are – people helping people since our beginning 137 years ago. And it's because of this fact, that we will continue to support Catholic Schools, but we need your help to get there.

## How does the winning continue after the Raffle?

All we ask is that you contact your local Sales Representative to learn how our financial and retirement products can complement your existing financial plan. When you become a member through the purchase of a life insurance policy or annuity, you help Catholic United fund programs like the Catholic Schools Raffle. On behalf of our 84,000-plus members, thank you in advance for your consideration and support!

**FYI...** Here is some interesting news from the Rome Report 4-15-2015

The number of Catholics has increased faster than population growth in recent years. Currently, about 18 percent of the world identifies as Catholic.

Between **2005 and 2013**, the Catholic population went from 1.115 billion to 1.254 billion. That's 17.3 percent of the world population to 17.7 percent in just eight years.

Most of the growth comes from Africa, where the number of Catholics went from 153 million to 206 million. The Americas saw nearly 11 percent growth, while there was 17 percent **growth in Asia**.

The **number of priests**, currently 415,348, has increased by 2.2 percent. Only North America and Europe saw a decline in priests. However, the number of seminarians has decreased by two percent, which suggests that the number of priests will also decline in the future.

While 44 percent of Catholic priests are in Europe, only **23 percent of Catholics** live there. Less than a third of the world's priests live in the Americas, though half of all Catholics do.

Additionally, the number of nuns has also been reduced from 760,000 in 2005 to 693,000 in 2013.
