My Two Cents by Fr. Don Braukmann

This past week I spent a few days in Pittsburgh with a couple friends who are die-hard Pittsburgh Pirate fans. It was a whirlwind trip as I left on Monday and returned Wednesday night!

I am a big baseball fan and greatly enjoy visiting stadiums. Something about a stadium, full or empty, that tells a story about a community. Some of you know I collect miniature replicas of baseball and football stadiums.

Belated congratulations to our senior high youth who went to the Steubenville North Conference two weeks ago in St. Paul. Part of the conference this year was to collect shoes for the poor. Each young person attending (2,000+) was challenged to bring 25 pairs of shoes with the parish collecting the most getting a free pizza party the Saturday night of the conference. Our kids brought over 1,500 pairs of shoes thanks to the help of so many here at St. Philip's. They were the top collectors by far! We had 27 youth attend which comes to an average of 55 pairs of shoes per person!

Another note of thanks to the men and women from St. Philip's who are assisting with preparations for the new school year at the Newman Center on the campus of BSU! We hope to hit the ground running this year with a full schedule in place (starting with orientation week). Our first Mass at the Newman will be at 7pm on Sunday, August 23rd. The students will also have the opportunity to attend Mass on Tuesday nights at 9:15pm (yes, 9:15PM!) and Thursdays at 5:30pm. The crew from St. Philip's is helping with food planning/preparation, maintenance, etc. Anyone willing to cook a meal for the students please let me know! We have a community meal after each 5:30pm Thursday Mass

The Social Concerns Committee meets Monday, August 10th at 6:30pm. The purpose of this group is to streamline and support all the charitable efforts of St. Philip's. Among other things, we are developing an assistance card we can give those in need which provides information about all the help available in the community for those needing it. This allows the services which already exist to be more easily accessible in times of crisis.

Our next prayer gathering at Planned Parenthood will be on Saturday, August 15th from 10-11am at the office here in town. Given the fact Planned Parenthood has been making headlines with their selling of baby parts I hope our prayer will soon close its doors in Bemidji. How barbaric the practices admitted to by Planned Parenthood leadership nationally that they use a special method to crush a baby above the heart and below the stomach to preserve the vital organs so they can be sold to testing facilities. What a pathetic world we live in when we must crush our children and harvest their organs so we can hopefully find cures for the diseases of our age. Really? God forgive us. God forgive us.

Thank you to all who have signed the petition urging our elected leaders to end funding for Planned Parenthood. Also, thank you to those who have written letters calling for the same action. Taxpayer funding of the killing of our children! how did we get to this point America?
