Greetings from Fr. Chuck,

August 28, 2016

Why are both Fr Don and Fr Chuck gone for a whole week?

Both Fr. Don and Fr. Chuck will be gone from August 29th through September 2nd. We will be attending a Diocesan program called "Good Leaders, Good Shepherds." This is a program that looks at priestly identity, ministry and fraternity. The Catholic Leadership Institute will facilitate conferences and interaction between the priests of the Diocese. The intent is to develop better leadership skills and approaches in ministry and to have all the priests on the same page. I have priest friends in other Dioceses that have been in the program and they tell me that they find it has helped in their ministry as the demands and expectations increase due to the priest shortage. We have many tasks to complete and this will provide some how-to's to help us along the way. We need the time together to share and grow and develop. Pray for us on this journey to becoming better priests for the people of God.

What happens if we need a priest at the hospital or our home when both of the priests are gone? If there is a sacramental emergency while we are gone Deacon Kermit is ready to respond to the situation. If a visit needs to be made to the hospital he will be there. If someone is dying and needs the prayers of the church he will be there. If a family requests a funeral during the week we are gone Deacon Kermit is prepared to offer a funeral liturgy outside of Mass. We are fortunate as a parish to have a Deacon ready and willing to serve. Not all parishes have this option.

Is it true this will happen 6 more times in the next 18 months? It will happen a total of 7 times that both Fr Don and I will be at the weeklong experiences. We will be praying for you please pray for us!
