27th Sunday Greetings,

October is Respect Life Month. A key word is RESPECT...

Do you remember when?

- In a crowd, the man would step back and let the woman walk in front of him.
- The man would open the car door and the woman waited for him to do so
- A young person would hold a door for a senior citizen.
- We would ask permission to use something that belongs to another.
- We would allow the other car to go first and not wave using one finger.

The Catholic Church celebrates this weekend as Respect Life Sunday. In my opinion we are a society experiencing a serious lack of respect. It shows itself in many little ways. Life from conception to natural death is under attack. The integrity and value of a person is fair game as a joke or insult. Here are some examples we might witness on a daily basis:

- Many do not respect their mom, dad, brother, sister, aunt, uncle, cousin, grandparent, or another family member and will make derogatory comments about them in public...
- Children will do what their parents do so If one parent talks negatively about the other than what will the children do?
- GOSSIP no more needs to be said about this bad habit.
- Comments are made verbally or carried in the minds of males: women and girls are seen for their body parts and forms and not for their inner personality or thoughts.
- Lust is seen as a fulfillment of love.
- The whole truth is not given and the part that is given is spun to create a reality that works in the favor of the storyteller!
- We expect others to do the work and then we criticize how they do it. The words "thank you" rarely cross some lips.
- We hear what we want to hear and take items out of context to prove our point
- Judgments are made quickly and we use strong language to define a person. (For example I we object to a politician such as our President and label him for his ethnicity or perceived beliefs)
- We listen to the extreme left or right media and adopt their thoughts as our own.
- The evil of pornography is accepted as a part of our lives.
- Television shows that cast a parent as a complete idiot seem to gather high ratings.
- We tell someone we will do something when we have no intention of even doing it.
- Kids are not taught to say "I am sorry" and adults rarely use the words "I am sorry".

I wonder which statement demonstrates the biggest form of respect:

Please forgive me for what I have done OR I love you.

Here is a challenge for the week: talk about this article and the topic of respect around a family dinner table or you might show this article to someone and ask them: What do you think?

This week I am going to ask God in my prayers to help me be a better, more respectful person! Jesus loves you and so do I, *Fr. Chuck*

LOW GLUTEN HOSTS

Low gluten hosts are available at every Mass, daily or Sunday. Sometimes due to a medical condition, individuals are not able to receive the regular hosts that are used in Holy Communion. If you or someone you know needs a low gluten host, ask a greeter, sacristan, information station person, or a priest, we will be glad to assist. In order to receive: enter the communion line that is receiving from the presider. Indicate to the presider you wish a low gluten host. He will present the Body of Christ from a special pyx. For the several weeks, Father Don, and Father Chuck, will be announcing the availability of a low gluten host at every Mass.

FAITH FORMATION

First Reconciliation Parent Session

This Thursday, October 6 at 5:30 PM in the Social Hall is the last First Reconciliation Parent Session. These sessions are for parents who will be preparing their child (2nd grade or older) for First Reconciliation this year. It is the policy of the Diocese of Crookston that the reception of the Sacrament of Reconciliation precedes the reception of First Eucharist. Parents may delay the reception of the Sacraments if they feel their child is not ready to receive them. Child must be registered in Faith Formation or St. Philip's School. A parent must attend one of the sessions in order for the child to receive the sacrament, regardless if you have attended a session in the past. This is a parent-only session. The session includes an overview of the sacrament and the preparation program and will last approximately an hour and a half. This will be the final parent session offered for First Reconciliation this year. Contact Kris Jensen if you have questions.

- Mid-term grades ALREADY! Students in grades 5 – 8 will bring home their mid-term grade report on Wednesday, October 5. Please discuss the report with your child, sign the form, and return it to school within a week's time. Should you have any questions, please contact your child's teacher.

With the information and techniques they learn there, the students will plan lessons to share with students in grades K-4. What better way is there to learn than to teach – it's kids teaching kids.

- Members of *Fridays with the Father* will be our Mass ministers for this week's school Mass on Wednesday, October 5, at 8:40 AM.

- Throughout October, we will be practicing a number of safety drills at school. Why not talk about and practice the safety procedures for your house?
- What do you know about the 1920s, 1930s, and 1940s? As part of the year-round celebration of our 90 years of service, we will take time to find out about them in October.
- Go online to complete your Safe Environment Certification for 2016-2017. Go to: www.crookston.org and following the prompts for Safe Environment. [You may have to "refresh" your cache once or twice.] This certification must be done annually and BEFORE you volunteer.

SAINT TERESA OF CALCUTTA

DATES: 8/26/1910 – 9/5/97

FEAST DAY: SEPTEMBER 5
OCTOBER 19 (CALCUTTA)

MERCY TO THE LEAST

THE SAINTS IN MERCY
Jubilee Year of Mercy: October...

In her own words...

"I once picked up a woman from the garbage dump and she was burning with a fever. She was in her last days, and her only lament was: 'My son did this to me.' I begged her, 'You must forgive your son. In a moment of madness when he was not himself he did a thing he regrets. Be a mother to him, forgive him.' It took me a long time to bring her to say, 'I forgive my son.' Just before she died in my arms she was able to say that with real forgiveness. She was no longer concerned that she was dying. The breaking of her heart was that her son did not want her. This is something you and I can understand..."

"My God...the poor are my community. Their security is mine. Their health is my health. My roof is that of the poor. Not simply those who are poor, but the poorest of the poor; those whom others will not approach for fear of being infected, of getting dirty; those who do not go to church because they have no clothes to wear; those who do not eat because they have no more strength; those who collapse in the streets knowing they are about to die while the living pass by ignoring them; those who are no longer able to cry because they have no more tears."

"Above all, we are religious sisters. We are not social workers, teachers, nurses or doctors...The difference between us and social workers is this: they do it for something, but we do it for Someone. We serve Jesus in the poor, and we do all this for Him. Everything we do – prayer, work, sacrifices – we do for Jesus. Our life does not have any other meaning, any motivation other than Him who loves us deeply. Jesus is the only meaning of our life."

"When a poor person dies of hunger it has not happened because God did not take care of him or her. It has happened because neither you nor I wanted to give that person what she or he needed."

"There is a terrible hunger for love. We all experience that in our lives – the pain, the loneliness. We must have the courage to recognize it. The poor you may have right in your own family. Find them. Love them."

"Be as merciful to others as our heavenly Father is merciful to us in Jesus."
