Second Sunday in Ordinary Time Greetings,

January 15, 2017

**Adoration update:** Once a month we close every Mass with Benediction, a time for us as a community to adore Jesus in the monstrance and also receive His blessing. As a parish you have heard both Father Don and I discuss the opportunity to participate in Adoration (personal time in front of the Blessed Sacrament.) When we spend time in front of the exposed Blessed Sacrament we are literally having a face to face conversation with God. Personal time with Jesus is a gift. He listens to our voice and we listen to the voice of God. He may speak to us through our meditation, a scripture passage, a song, or a prayer we say.

Starting this week, we will have scheduled adoration on Mondays and Tuesdays. The decision was not easy to move from 4 days of adoration to 2 days. We simply had too many open hours in our schedule. Several adorers headed south for the winter and a couple adorers have passed away and are seeing in a clearer way the visible face of Jesus. We also have a heightened sense of security for the Body, Blood, Soul, and Divinity of Jesus. In the recent past, two parishes in our Diocese had their tabernacles stolen. When the Eucharist is desecrated or profaned the parish community goes into a time of mourning and sorrow until the Church can be rededicated. Our practice has been to allow the Monstrance to be veiled when there is an open time between adorers. Now when a scheduled adorer cannot be present we will place Jesus securely in the Tabernacle.

While the number of formal hours of adoration has been reduced, it does not reduce our need to visit with Jesus. The adoration chapel is available for your visit. Simply stop in and spend 5 minutes, 10 minutes, 15 minutes, or whatever time is available for you. Jesus may not be exposed in the monstrance but He is present in the tabernacle and in our parish.

It was a joy to have so many interested parishioners participate in the Mass and the explanation of how the 1<sup>st</sup> Friday and 1<sup>st</sup> Saturday celebrations help us as a community and personally to make reparation for sins against the Eucharist. It is my prayer you join us each 1<sup>st</sup> Saturday for the teaching and the Mass.

The Pope provided a teaching on family life we can use in both our personal families and also when we as the family of the church are gathered together. He said: *"Remember the three key phrases: Excuse me; Thank you; I'm sorry!"* Then he went on during his Wednesday audience to say to the people: *"In a family that uses these words, there is peace and joy!"* And He asked everyone to practice on someone else nearby, He lead it off with: *"Say it with me... Excuse me; Thank you; I'm sorry!"* Let's follow his lead! practice practice practice!

*One more quote from Pope Francis, a top 10 list of things to do:*

1. Don't gossip.
2. Finish your meals.
3. Make time for others.
4. Choose the 'more humble' purchase.
5. Meet the poor 'in the flesh.'
6. Stop judging others.
7. Befriend those who disagree.
8. Make commitments, such as marriage!
9. Make it a habit to 'ask the Lord.'
10. Be happy.

I make it a practice to lend material from my personal library to those who could use a good author or thoughts regarding a difficulty or experience they are having! However I went to my shelves this week to get a book to share and both copies were gone! If I have lent you a good book and you have finished reading it would you please return it so I can send it home with someone else.

Jesus Loves you and so do I! Blessings on your day! Fr Chuck

**This is part of a letter Fr. Chuck and Fr. Don received from Bishop Hoeppe. Please contact either of us if you are interested in joining us on March 9th as we travel to St. Paul...**

*My Dear brother priests,*

*Election results present both new opportunities and new challenges. After this past November, that is certainly the case here in Minnesota. Protecting the vulnerable from assisted suicide, expanding parental choice in education, and strengthening families in their struggle to escape poverty are among some of the most pressing issues we face in our State Legislature.*

*Life and dignity must be protected. And Catholic voices count. Our lawmakers need to know where we stand, because we can make a difference. This is our call. This is our moment.*

*To make the most of these opportunities, the Minnesota Catholic Conference is hosting the first-ever Catholics at the Capitol, a day of inspiration and advocacy in St. Paul on Thursday, March 9, 2017. You and your parishioners are encouraged to join me, my brother bishops, and more than 1,000 fellow Catholics as we protect life and dignity in Minnesota. We'll be:*

- *Inspired by dynamic Church leaders and the power of prayer*
- *Informed about the critical issues impacting life and dignity in Minnesota*
- *Equipped to influence our elected officials — they will listen!*

*If we don't seize this moment and come together at our State Capitol on March 9, the push for assisted suicide in Minnesota will gain ground, underprivileged children will miss out on opportunities for a quality education, and too many families will remain trapped in a cycle of poverty.*
