7th Sunday of Easter Greetings,

May 28, 2017

Wedding season is starting, new marriages are formed and seasoned couples that attend weddings may experience moments of reflection on the day they stood at the altar. I recently reviewed an article by the bishops of the United States asking for reflection on the theme: *God's Love, Our Love, Our Family.*

Notice: God's love comes first. It's God's love that makes us lovable, and allows us to love others as God would love them.

When a couple is in love we see love flowing in and through the relationship. During marriage preparation and at the altar just before the vows, we ask them: are you giving yourselves freely to each other without reservation, without condition, and without hesitation. That is the way God loves us: freely, without hesitancy, reservation or conditions. The Sacrament of Marriage is God's love alive and expressed in everyday life.

Our love follows and it is a wonderful thing. I often ask the young couples if they know they are continuing the creative work of God. The *our love* of a couple which flows from God's love is creative and dynamic. When love is shared in an intimate physical way new life becomes possible. The couple provides the egg and the sperm but God provides the soul—the life force that becomes a continuation in the plan of God.

God's Love, becomes *Our Love*, and it becomes *Our Family.* It is always a bit uncomfortable for a couple when I ask them how they plan to regulate the size and timing of their family. I usually start by asking: who does contraception such as the pill or a condom have the most detrimental effect on: the female or the male? The correct answer is the male. (Want to hear more about this topic? Please call me to discuss)

Our society tells us that sex without the possibility of pregnancy is exciting and fulfilling. It instead creates an environment where either the man or the woman can end up feeling used and trust which is born out of love is violated. We also need to be aware of the moral implications of the spontaneous abortion that occurs due to the fertilized egg not being able to implant in a womb tainted by the pill.

Natural Family Planning is a practical moral option. With NFP we act with the body God has given us—in the way God designed it to function—we cooperate in the love that flows from God through the marriage. Another way to say it is: we need to trust God and to cooperate with God by working with the way in which God made us.

The Couple to Couple League based out of Cincinnati is a wonderful source for information. Their website is: www.ccli.org. There is richness in the manner of communication in a marriage when as a couple you discover the language of the body that is spoken through human fertility. Want to enrich your marriage or the marriage of your children?—talk about NFP and the theme the Bishops have provided for our reflection: *God's Love, Our Love, Our Family.*

I would love to talk with couples about how to enrich a marriage. Remember to find three ways to say to your spouse: *I love you* without using the words: I love you!

I prayed for you today and for your family,

Blessings, *Fr. Chuck*

Helping Hands

The Knights of Columbus Council #1544 is offering assistance to St. Philip's parishioners with minor home repairs and household chores. To qualify for this help you must be unable to do the work yourself and have no one to assist you. We have a number of Knights with various skills who are on call to help with these projects. The project must be at your primary residence and you will be required to sign a waiver of release. If there is any cost for materials it will be the responsibility of the party receiving the services to pay for them. Every effort will be made to keep costs down. There will be no labor charge for the service. If the party wishes to donate to the Knights for the service, the donations will go to a charitable cause. For more information or to schedule to have this service, please contact either Pat Welch at 218-444-5858 or Rick Coe at 218-751-9695.

HOSPITAL MINISTRY

"... naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me. ~Matthew 25:36

If you or a loved one has ever been hospitalized and someone visited you and brought you communion, how did that make you feel? Did it bring you closer to God? Did you feel good knowing that prayers were being said for your recovery? Think about the opportunity to give back. St. Philip's Hospital Ministry is a way to carry the healing comfort of the Gospel to hospitalized parishioners and their families by praying for them and ministering Holy Communion to them if they desire to receive. Each volunteer is asked to be responsible for a visit one day per month. New volunteers will partner with an experienced minister until they are comfortable on their own. Volunteers will be certified by Sanford. Please pray about visiting the sick. For more information, please contact Fr. Chuck or Fr. Don at the Parish Office, 444-4262; or Sharon Zarrett at 751-1606, or email at zarrettsa@gmail.com.
