21st Sunday in Ordinary Time Greetings,

This is a special bulletin. Normally we print 650 to 700 copies, this week, all 1472 families in the parish are receiving a copy. Between this mail-out bulletin and the letter that will arrive Monday or Tuesday, you will have updates on lawsuits, progress on the long-range plan, lightning strike update, school news and the latest fiscal year financial and statistical info.

This summer has been powerful for anointing of the sick and those who were dying. As the celebrant, several times my heart filled with gratitude as I witnessed the power of the love of Jesus. I watched someone struggling with breathing, catch their breath, and relax; I listened as someone struggling with a terminal diagnosis said "It is now in God's hands." I looked on and shared the joy of someone who felt great relief as a burden of stress was lifted from her life. The Anointing of the Sick is powerful. It is a blessing to receive this Sacrament more than once in your life. It is not only for those close to death. It is a Sacrament that can heal... literally! It heals our relationship with God. It makes us right with God. Through this Sacrament God chooses to forget our sins! He grants peace and comfort. Through the prayers of the church we call forth saints and angels and the power of the Spirit to affect our lives and our attitudes. Thanks, be to God for this powerful gift!

When I visited a family, it was bedtime for the young members of the family: We prayed their night prayers; to close, dad asked each child to tell God three things you are thankful for today! I was so impressed I later told mom and dad! "Good Job, thanks for letting me be part of your evening." Thanks be to God for this family trying to get to heaven together.

A shared observation is that people seem to be getting attached to their electronic devices to the detriment of their friendships and families. This might take courage on the part of spouses and parents but what would happen if we as a parish supported one another by declaring a ban on electronic devices and screens in our homes for one hour a day or even better every Saturday became: "Unplugged Saturday." For a single person like myself it could be time I spend reading or reaching out in a letter or visit to another person? For a family, what if the time was spent in conversation or having family game time? By unplugging would we be able to change the world for the better here in Bemidji?

I love to save quotes from various writers and I found this one that has deep meaning. It was entitled: *What's Wrong with Gossip?* By Eberhard Arnold: "There is no law but love. Love is joy in others. Therefore it should be out of the question to speak about another person in a spirit of irritation or vexation. There must never be talk, either in open remarks or by insinuation, against anyone, or against their individual characteristics, and under no circumstances behind their back. Gossiping in one's family is no exception. Direct address is the brotherly or sisterly service we owe anyone whose weaknesses cause a negative reaction in us. An open word spoken directly to another person deepens friendship and will not be resented."

Let us pray for peaceful conversations and the Lord's help!

The Seven Dwarfs go to visit the Pope. As he is finishing his speech on comparative religions, Dopey raises his hand to ask a question. "Mr. Pope, are there any dwarf nuns in Rome?" "No," responds the Pontiff. "Mr. Pope, are there any dwarf nuns anywhere in Italy?" "No Dopey," chuckles the Pope. "Mr. Pope," Dopey asks pleadingly, "are there any dwarf nuns anywhere in the world?" "No Dopey," the Pope says sadly, "there are no dwarf nuns anywhere in the world." In the background, the six remaining dwarves softly began to chant: "Dopey's in love with a penguin, Dopey's in love with a penguin..."

Be Good, Be Safe, Be Loving, Be Kind, Be Gentle, Be Compassionate, Behave, and if you do not remember that is why we have reconciliation! Blessings, Fr. Chuck

RCIA: Calling all inquirers of the Catholic Church.

We have begun our RCIA process again for anyone who would like to know more about the Catholic Church and who may want to be in full communion with the church. If you have never been baptized, or were baptized into another faith, or were baptized Catholic but have not received Eucharist and or Confirmation, RCIA may be for you. By participating in our RCIA program you will receive the information you need to be able to decide if the Catholic Church is where you belong, and if you would like to be able to participate fully in the sacraments.

If you were unable to attend our first session, but are interested in the process, our second session is scheduled for Sunday, August 27th at 10:15 in the St. Kateri Room. The RCIA sessions are open to anyone who wants to know more about the Catholic faith even if they are already members in full communion with the church.

If you have any questions or for more information please contact Deacon Robb, 441-4904 or Deacon Kermit, 441-4903.

Nightlights, a nondenominational support group for anyone who has a loved one with mental illness will hold its monthly meeting at 7:00 – 8:30 PM, Monday, August 28, 2017 in the St. Elizabeth Room St. Philip's Church. With questions, please call 218.444.4262.

Your help is needed

Do you know of someone who is ill or homebound that may like a visit from us? We would love to call on them, so please be our eyes and ears so that these folks don't fall through the cracks! Often times, the only way we are notified of a need is through friends and neighbors of the person who is reluctant to notify us themselves. If you know of someone, call the Parish Office, 444-4262 and we will arrange for a visit. Thanks to you for caring about your parish family!

Thank You!! It is hard to believe that my summer at St. Philip's and St. Charles has come to a close; it seems like just last week I was moving in! Thank you for inviting me into your homes and your lives.

Throughout this summer, I have been able to experience **MANY** different opportunities: homebound visits, communion services, adoration, homilies, deacon at Mass, marriage prep and marriage counseling, funerals, burials, staff meetings, council meetings, and VBS to name a few! This experience has been invaluable for me in helping me to become the best priest that I can be! So thank you for walking with me these past two and half months and know that I will be holding St. Philip's and St. Charles parish communities in my daily prayers. Thank you!

40 DAYS FOR LIFE

DID YOU KNOW?? And Then There Were None (ATTWN) is a registered nonprofit organization that exists to help abortion clinic workers leave the abortion industry. ATTWN is pro-life without exceptions. While ATTWN believes and wholeheartedly supports all peaceful prolife efforts, ATTWN seeks to end abortion from the inside out with the belief that the end of abortion starts with abortion clinic workers leaving their jobs and finding healing from their past work. Many of the workers within ATTWN are former abortion workers themselves. ATTWN has helped **330 abortion clinic workers and seven full-time abortion doctors** leave the abortion industry.
