Greetings in Christ Jesus,

February 23, 2020

In the early Church and, to a lesser extent still today, there were two fasts. There was the "total fast" that preceded all major feasts or sacramental events. The ancient name for this fast was "statio" from the verb "sto, stare" to stand watch, on guard or in vigil. The second fast was a fast of abstinence from certain foods, e.g., meats or fats. This was more an act of self-discipline and self-control. The statio fast was total and a means of watching and waiting...i.e. for something. The fast of abstinence was more general and personal, to help oneself be more disciplined or self-controlled.

The total fast is still kept today prior to reception of Holy Communion. Following Holy Communion, the total fast ceases because Jesus had explicitly stated that we don't fast when the bridegroom is here, in other words, what we're keeping vigil for has arrived, the wait is over. On the other hand, the fast of abstinence was allowed on Sundays because the continuity of abstinence can be important for it to be effective.

Catholics are required to fast on Ash Wednesday and Good Friday and abstain from meat on all Fridays during Lent. But how did fasting become such an important means of preparing for the Eucharist and of learning virtue through self-discipline? Christian fasting is revealed in an interdependence between two events in the Bible: the "breaking of the fast" by Adam and Eve; and the "keeping of the fast" by Christ at the beginning of his ministry.

Humanity's "fall" away from God and into sin began with eating. God had proclaimed a fast from the fruit of only one tree, the tree of knowledge of good and evil (Gen. 2:17), and Adam and Eve broke it. Fasting is here connected with the very mystery of life and death, of salvation and damnation. Humanity, in Adam and Eve, rejected a life dependent on God alone for one that was dependent rather on "bread alone." (Dt. 8:3; Mt. 4:4; Lk. 4:4)

Christ, however, is the new Adam. At the beginning of his ministry in the Gospel of Matthew, we read, "When He had fasted 40 days and 40 nights, He became hungry." Hunger is that state in which we realize our dependence on something else—when we face the ultimate question: "on what does my life depend?"

Satan tempted both Adam and Christ, saying: Eat, for your hunger is proof that you depend entirely on food, that your life is in food. Adam believed and ate. Christ said, "Man does NOT live by bread alone." (Mt. 4:4; Lk. 4:4). This liberates us from total dependence on food, on matter, on the world. Thus, for the Christian, fasting is the only means by which man recovers his true spiritual nature.

In order for fasting to be effective, then, the spirit must be a part of it. Christian fasting is not concerned with losing weight. It is a matter of prayer and the spirit. And because of that, true fasting may well lead to temptation, and weakness and doubt and irritation. In other words, it will be a real fight between good and evil, and very likely we shall fail many times in these battles. But the very discovery of the Christian life as "fight" and "effort" is an essential aspect of fasting.

From the beginning, God commanded some fasting, and sin entered into the world because Adam and Eve broke the fast. For the Christian, fasting is ultimately about fasting from sin. Fasting reveals our dependence on God and not the resources of this world.

Let us celebrate the forthcoming Lenten season with graceful fasting!

Fr. Maschio

Seventh Sunday in Ordinary Time

February 23, 2020

**O Lord, I trust
in your merciful love!**

*You have heard
that it was said,
You shall love your
neighbor as yourself
and hate your enemy.*

*But I say to you
love your enemies,
pray for those who
persecute you,
that you may be
children of your
heavenly Father.*

*So be perfect
just as
your heavenly Father
is perfect.*

Vocation Chalice Ministry

The purpose of the **Vocation Chalice Ministry** is to encourage families to pray and promote vocations to the Priesthood, Religious Life and all kinds of vocations in humanity. The consecrated Chalice is a tangible reminder of this special intention for the Church.

Praying for vocations is the most powerful way to support vocations. When we pray for vocations, we lift up to our Father those men and women whom He is calling to follow Him in a very special way.

The chalice itself is a visual reminder of the importance of Christ's body and blood as central to our faith and the role of the priest at Mass.

Here's how it works:

- Each week at Sunday Mass, an assigned family is called by the Priest to come forward to receive the Chalice box and a blessing.
- The family that receives the Chalice, takes it home and puts it in a place of honor.
- Each day for a week, the family prays for an increase and perseverance of vocations.
- On the following Friday, the host family returns the Chalice to the church office for another family to take home.
- Our Parish begins this ministry on the First Sunday of Lent: March 1st 2020.
- A Chalice Box will be given to a family at each of the four weekend Masses.
- You may sign up according to your convenience prescribing the date and time. Sign up by doing so on the ministry scheduler online, or call the Parish Office, 444-4262.

Thank you for considering committing to be a part of the **Vocation Chalice Ministry** by receiving the Chalice and praying for vocations.

May God bless you!

*The Chalice Boxes were handcrafted and donated by David and Cynthia Haskin (Lakesedge Woodcraft)

"But I say to you, love your enemies and pray for those who persecute you..." (Matthew 5:44)

Love your enemies, easier said than done, no doubt. But, remember, the foundation of stewardship is prayer. When we are in close communication with God, it opens our heart and it turns our attention away from "me" and moves it towards God and others. It allows us to have a little more empathy for "our enemy." When we pray for others, even "our enemies," maybe it softens their hearts as well.

Can you move a building?
