## God Wants All People to Know His Love and Mercy August 16, 2020

In this weekend's Gospel, Jesus speaks to a Canaanite woman in a way that at first makes many of us feel uneasy. The woman pleads for Christ to heal her daughter, but He refuses because she's not a Jew. Jesus explains that His ministry is only for the lost sheep of the house of Israel, and not for a Canaanite woman and her family. If there was a question of "who's in and who's out?" it seems she's someone who's out.

At least, that's what was true under the old covenant. With the coming of Christ, however, this woman, once on the fringes, is now invited to the Kingdom. Through her faith, she moves from the outside in, bringing her family with her: *"And the woman's daughter was healed from that hour."*

In this weekend's first two readings, we hear both the prophet Isaiah and Saint Paul speak about this new Kingdom. Isaiah prophesies that not only will the chosen people worship at God's holy mountain, but also outsiders may join themselves to the Lord. And, as St. Paul explains, God's house will be a house of prayer for all peoples.

Saint Paul's own mission to the Gentiles confirms the prophecy of Isaiah. In his Letter to the Romans, he writes that through God's own design, the Gentiles also are receiving the gifts and call of God. "God delivered all to disobedience", Paul says, "that He might have mercy upon all."

All three of this weekend's readings reveal the generosity of God's grace: God wants all people to know His love and mercy. And through our Lord, Jesus Christ, and the gift of faith, the door to the Kingdom is swung open to *everyone* who accepts the Good News.

We've all received God's grace through the sacrament of baptism, and as members of His Church we're called to proclaim the Good News to everyone. Each of us has a role in welcoming those who seek God's healing and mercy. Let us pray that God's grace granted to us through the sacraments will help us be a channel to bring that grace to others, like the Canaanite woman, who come seeking the help of our Lord and Savior.

Blessings on your week. Stay healthy and safe.

*Deacon Robb*

### Councils to Resume Meeting

Effective this August, all of St. Philip's councils will begin meeting again. Pastoral Council meets the first Tuesday of the month at 7 PM, and School Council meets the second Tuesday of the month at 7 PM. Finance Council meets the second Thursday of the month at 7:30 AM (with the exception of this month, they will meet on August 18 at 11:30 AM).

### Adult Faith Formation

Do you have ideas to help Adult Faith Formation GROW in our parish? Please plan to attend a meeting to brainstorm & discuss the direction of Adult Faith Formation at St. Philip's on **Wednesday, 8/19/20, at 6:00 PM**. Due to COVID restrictions, we must wear masks and limit the number of participants, so contact Nancy ASAP to register at 218-441-4907 or [ngoodman1@stphilipsbemidji.org](mailto:ngoodman1@stphilipsbemidji.org). (If you can't attend the meeting, your input is still welcomed – please send/leave a message with your ideas!)

There will be no offertory collection and procession. Offertory gifts are appreciated and can be given through several channels.

- ♦ Deposit envelopes in boxes in the Narthex.
- ♦ Contact Deacon Kermit Erickson to set up recurring ACH withdrawals.

- ♦ Give via text: Text "give" to 218-277-6444, follow link you receive, receive a link, click "sign in" to register for an account, complete registration to receive a secure PIN, select "offertory," enter the donation amount and payment, tap "save payment" to save it for future gifts.

### Newman Club

College students will be coming to school in a very isolated online setting, due to COVID restrictions. Classes begin August 24. It would be nice if we could let them know that our parish is here, ready to support them. **Would you consider making treats** that we could deliver to the incoming students? Bars, cookies, dipped pretzels, snack mixes, fancy popcorn are the types of things we could use to create snack/welcome bags. If you are willing to prepare a treat by 8/20, please contact Nancy. ([ngoodman1@stphilipsbemidji.org](mailto:ngoodman1@stphilipsbemidji.org) or 218-441-4907) Many thanks for your support!

### Diocesan Annual Summer Appeal

As a Catholic Community, St. Philip's does not exist just for itself, but belongs to a wider community known as the Diocese of Crookston. As part of that wider, larger, Diocesan Church, we share a responsibility to support the Church's ministry of education, charity and justice to the thousands of people who live in the 14 counties that make up our Northwestern Minnesota Diocese. This weekend we have an opportunity to touch the hurting and the needy through the Diocesan Annual Summer Appeal. The needs that the Appeal attempts to meet are real and legitimate. Sacrificial giving does not begin with pleading the need of the Bishop and the Diocese, but with the personal need of each one of us to return to God a grateful portion of whatever he has given us. The Appeal is NOT a referendum on what we think of the Bishop — this is not the "Bishop's Annual Appeal!" Our motivation for giving ought to flow from our commitment to Jesus and His mission. That mission extends well beyond the needs of Bemidji to a wider, and in many ways, a much more needy and hurting church than our own. Our local Diocese has the neediest county in Minnesota in its boundaries. To be worthy of the name "Catholic," we must be open and responsive to the needs of not just our local community, but to the needs of the wider and larger community as well. Please give the Diocesan Annual Appeal your careful and prayerful consideration.

### Temporarily "Out of Order"

We're experiencing some problems with the email account for St. Philip's ([rector@stphilipsbemidji.org](mailto:rector@stphilipsbemidji.org)). For now please send your emails to [tjohnson@stphilipsbemidji.org](mailto:tjohnson@stphilipsbemidji.org), and they will be directed to the appropriate party. Thank you for your understanding.

### UnBlock Party Update!

This year we are planning an **UnBlock Party** September 25-27. There will be events, activities and auction items online leading up to Sunday. 50/50 Raffle tickets will be mailed in the coming weeks. The grand prize drawing will be held during the Facebook Live event on Sunday. We can still celebrate together as a parish family— It will just look a little different this year. Watch the bulletin for more details. Contact Maryhelen Chadwick with questions or suggestions ([mhchadwick@stphilipsbemidji.org](mailto:mhchadwick@stphilipsbemidji.org) or 218-444-4262).

We are in the process of organizing the items for the online auction, and would love to include some unique bidding options: If you have a home/condo out of town, maybe you would consider offering a stay when unused by yourself. Do you own season tickets to any college or pro team games that you would consider donating if not being used? Do you have a skill that you would like to share as an auction item? Please contact Tammy in the Parish Office if you would like to donate, 444-4262 or [tjohnson@stphilipsbemidji.org](mailto:tjohnson@stphilipsbemidji.org).

### Substitutes Needed for Upcoming School Year

Please contact Principal Jana Norgaard if you are interested/ for more information. 444-4938 or [jnorgaard1@stphilipsbemidji.org](mailto:jnorgaard1@stphilipsbemidji.org)

We understand some people cannot wear face coverings for health reasons. If that is the case, we offer the following options:

Attend Mass virtually at [stphilipsbemidji.org](http://stphilipsbemidji.org) or other services available on the internet.

For Adoration, we ask that you seek a substitute for your scheduled Adoration time until the Emergency Order is lifted.

St. Philip's Parish Community is required to comply with state regulations and diocesan mandates. If people do not comply, cancellations may occur and activities may be discontinued (Adoration, meetings, etc.) Thank you for your cooperation.

*"For the gifts and the call of God are irrevocable."  
~Romans 11:29*

God has a special mission in mind for each of us. He has given us the gifts we need to accomplish that mission. We are called to be good stewards by using those gifts to do the work that He has planned for each of us. If we deny our gifts or fail to use them as God calls us to use them, then some part of His work will be left undone.

## A TRADITION OF EXCELLENCE

*St. Philip's plans to resume in-person instruction this fall.* Teachers, staff, administrators, and committees have been hard at work applying the guidance and direction from various agencies to assure the safest start to in-person learning for the 2020-2021 school year. The very foundation of St. Philip's Catholic School is a small, community of people working together to provide a rigorous, Christ-centered education. While we can never guarantee absence of illness, we feel prepared and confident to welcome students back to school this fall. We will continually scrutinize this plan. We expect to enhance, amend, and adjust our protocols to best serve our staff, students, families, and parish community.

### Living Our Faith

The celebration of Mass, liturgies, and prayer, which are integral pieces to a Catholic education, will remain a priority. Procedures are in place so that we can still safely gather for these events.

### Facial Covering

Governor Walz's mandate requires all occupants (5 years or older) to wear a facial covering. Students and staff will wear face coverings when in shared public areas outside of their cohort groups or when social distancing is not possible. Our intention is to apply this requirement as realistically as possible knowing that during classroom instruction this will be flexible. Accommodations will be made for students and staff who have medically documented needs that prevent wearing a facial covering.

- Any visitor entering the building must wear a facial covering.
- A facial covering will be provided upon entrance should a student, staff member, or visitor fail to adhere to this requirement.

### Learning Protocols

- **In-Person Learning:** St. Philip's will provide in-person, on-campus learning for the 2020-21 academic year to most students. In an effort to reduce the number of children and adults each child interacts with throughout their day, students will be divided into cohorts. Students will have lunch, recess, etc. with their cohort. These cohorts will also be used for Noah's Ark.
- **Temporary Individual Absence Due to COVID-19 Exposure:** Families will work with the school to transition from in-person learning to distance learning if/when a temporary individual absence is necessary.
- **Individual Distance Learning:** Individual Distance Learning will be implemented for individual students who will be best served in this manner. Individual distance learning will be a semester at a time. This could change at the principal's discretion based on the family's circumstances.
- **Schoolwide Distance Learning:** Distance learning may be implemented if local, regional, or statewide COVID-19 metrics warrant a suspension of in-person learning.

## IMPORTANT DATES

**Monday, August 31:** *Meet the Teacher*—PreK, Kprep, Kindergarten and new students will choose a time to meet their teacher and bring their supplies. Returning students will meet with their teacher the first day of school. More information will follow.

**Tuesday, September 1:** *First School Day* (students in grades K-8) as originally planned. This short week will be a great opportunity for teachers, staff, and students, to refine practices and get comfortable with protocols.

**Monday, September 7:** No School – Labor Day

**Tuesday, September 8:** Students in PreK2 and KPrep will begin their first full day of school.

**Wednesday, September 9:** Students in PK3 will begin their first full day of school.

### Morning Dropoff

- Students may arrive beginning at 7 a.m.
- ALL STUDENTS must be dropped off at Door #3 (Beltrami Ave. Entrance). Parking Lot Door is not available for drop off.
- Students will enter at Door #3 on Beltrami Avenue. When students enter the building, they will immediately be directed to wash their hands with soap and water.
- Staff will conduct temperature checks as students arrive. Students with temps >100.4 may not attend.
- Students will be assigned a designated spot to sit once they arrive. Students will be sitting with their siblings or students from their cohort.
- No electronic devices, toys, or balls from home allowed. Cell phones will need to remain in backpacks. Students need to bring a book to read or finish up homework.
- Students will be dismissed at 8:00 a.m. to their classrooms.
- School begins at 8:30 a.m. (depending on transportation)
- Parents may not accompany students into the building.

### Busing (may be restricted or unavailable)

Transportation will be provided from Bemidji Area Schools. How this plan is going to work will depend on their scheduling. If possible, parents are encouraged to transport their child even if bus transportation is available. Reducing the number of children on buses will help the ISD31 Transportation Department apply its protocols.

### Late Arrival

- It is very important now more than ever, for students to arrive by 8:30 a.m.
- If arriving after 8:30 a.m, students must enter through Door #1 and head directly to the school office for a late pass.

### Visitors

- Due to mitigation strategies, admittance into the building will be limited.
- Visitors must sign into the Parish or School Office.
- Parents/Guardians will not be able to walk their students to class or wait for them in the Narthex.
- Do not visit campus with any signs of illness.

### Health and Hygiene

- Students are required to have their own water bottle. Water bottle fillers have been added to each floor.
- High touch areas and whole room disinfecting will occur daily. Common spaces will be sanitized before and after use, and the playground will be sanitized after each recess group.
- Schedules have been adjusted to ensure proper sanitation between classes and movement of students.

### Afternoon Pick Up

- Families will select a pick-up time (3, 3:15, 3:30 or 3:45 p.m.). Students not picked up by 3:45 will go to Noah's Ark.
- Follow designated pick-up path (above).
- Display assigned pick-up number on rear view mirror. Staff will call classrooms.
- Children will exit Door #2 and go directly to your vehicle.

### Noah's Ark

- Noah's Ark will operate from 3:45-5:30 p.m.
- Students will be grouped by their school cohort.
- Noah's Ark families will call the Noah's Ark phone number in advance of their arrival.
- Staff will walk students to Door#2 for pickup.

### Health & Screening Protocols

- Parents must screen their students each day at home and complete health screening form. (Form will be provided.)
- All students, staff, and visitors who enter the building will participate in a health screening (temperature check and questionnaire if not done ahead of time).
- Students with temperatures at 100.4 or above may not attend school.
- Parents/Guardians are to report to administration and/or the school office if their students has symptoms of COVID-19, a positive test for COVID-19, or had close contact with someone with COVID-19 in the past 14 days.
- We will rely on guidance and recommendations from state and local health departments.
