The Fourth Sunday of Lent

March 14, 2021

This weekend marks the halfway point of our Lenten journey. How is your Lent going? Are you growing closer to God?

In our first reading this weekend from the 2nd Book of Chronicles we hear how the children of God continually failed to follow God's word and how God, early and often, continued to send messengers to them. But they mocked the messengers of God, despised his warnings, and scoffed at his prophets. So, God allowed them to be conquered and the temple destroyed. For seventy years they lived as captives to Babylon. In order to fulfill the words of the prophet Jeremiah, under King Cyrus, the Lord restored the kingdom, and the temple was rebuilt in Jerusalem. May we listen to God's word and heed his commands so that we do not suffer a similar fate.

Our Gospel reading from John reveals how God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but have eternal life. Jesus came into the world to bring light and hope. May we look to that light and follow him! We are to be children of the light and not the dark. But whoever lives the truth comes to the light, so that his works may be clearly seen as done in God. May we strive to live the truth.

As we come near to the most Holy Week of our year, may we prepare by seeking to bring ourselves closer to God through prayer, penance and the Sacrament of Reconciliation.

Our spiritual director and cantor, Tamara Moore, will walk you through the Examen of St. Ignatius of Loyola, providing time for silent reflections, sacred hymns, and prayers from the heart. Nate Mathews, with his Spirit-led piano and organ meditations along with rich harmonies by Christian Brezczinski, will incline the ear of your heart to God's presence.

Second Collection This Weekend

Next week we take up **The Catholic Relief Services Collection** to help **Jesus in disguise**. This collection helps six Catholic agencies to provide relief and support for struggling communities and to work for peace and reconciliation among our marginalized brother and sisters here and around the world. Please prayerfully consider how you can support the collection.

Easter Flowers for St. Philip's Church will be supplied, in part, through the generous donations given by parishioners in memory of deceased loved ones, or in honor of the living.

If you wish to make a memorial, use your Easter Flowers envelope in your offertory envelopes, or place your donation in a plain envelope clearly

marked *Easter Flowers*. Please indicate the name of the deceased person(s) your gift is in memory of or the name of the living person(s) your gift is in honor of. You may place your envelope in the collection basket or turn it in to the Parish Office in person or by mail. All memorials will be published in the parish bulletin after Easter.

Welcome to the newest members of our St. Philip's family:

Spring FoodShare Drive

Local churches play a major role in addressing food insecurity among area individuals and families. A handful of churches, including St. Philip's, helped start the Bemidji Community Food Shelf (BCFS) in 1982. Today the local organization is recognized as one of the most active in the state.

Because of high area need, it has to be among the best. Two years ago a study showed that the local Food Shelf was the 15th busiest in the state while the city was the 71st largest in Minnesota.

That need is more evident during the pandemic. Despite being closed for a short while and a reduction in days clients could access the Food Shelf, a record number of 12,584 families used its services in 2020. That total included a 30 percent increase of senior citizens.

Three factors make this service possible: innovation, volunteers, and community support.

The BCFS is recognized for making ideas work. The farm is one example. Its operation is among the most efficient of similar programs run by a food shelf in the state. Last year it planted and cultivated almost five acres of land to harvest a record 15,000 pounds of produce. It also features a deep winter greenhouse that supplies leafy greens.

Volunteers are the backbone of the Food Shelf. They work one-on-one with customers; nurture growth on the farm; collect donated food from area grocery stores; sort, store and stock thousands of pounds of food in their warehouse; help raise operational funds; and perform numerous other tasks.

None of this work would be possible without community support. It comes in many forms.

- Local grocery stores (Luekens, MarketPlace, Walmart, Target, and Aldi) donate thousands of pounds of food each month for distribution to customers.
- Grants and local donations of \$79,000 funded roof replacement so the BCFS could remain open to the public. Donations and volunteer labor also updated office spaces.
- Grants, donations and other financial support funded the purchase of a new truck, a larger walk-in freezer, the delivery of 30,000 pounds of food to high-risk seniors in Blackduck, and the development of an opportunity to secure funding for a mobile Food Shelf to serve the region.

The annual spring Minnesota FoodShare Drive is the major BCFS local fundraising event. The goal for 2021 is to collect 35,000 pounds of food and \$100,000 in donations. Dollars raised are partially matched.

For the next two weekends, you will have an opportunity to add your support to the Food Shelf. The Giving House will be in the narthex prior to and after Masses to accept your donation to the Food Shelf. Last year St. Philip's collected over \$7,700 from parishioners, including \$500 from the Knights of Columbus. The Knights have pledged \$1000 this year.

Cash or check donations will be accepted. Checks can be made out to the Bemidji Community Food Shelf or to St. Philip's with designation to the Food Shelf made on the memo line.

Food donations will also be accepted at that time. Non-perishable goods should be bagged and can be left in the narthex.

Thanks for your support of the Bemidji Community Food Shelf and the St. Philip's Spring FoodShare Drive.

Virtual Midwinter Concert

March 14, 2021 ~ 7:30 PM

Heaven and Earth Be One

We lift up our voices in a colorful program exploring anguish, hope, and the healing power of heavenly light as we yearn for God's presence here on Earth. Composed by Canadian-born Black composer Nathaniel Dett, *Listen to the Lambs* pleads for comfort for God's people, and reminds us that "He shall feed his flock like a shepherd." In his shimmering *O Lux Beata Trinitas*, Slovenian composer Andrej Makor sets an ancient text imploring the trinity of holy light to shine upon us, as MacMillan's *O Radiant Dawn* invokes the "splendor of eternal light" and "sun of justice" to shine on those who dwell in darkness. You'll hear inspired music by Russian composers Tchaikovsky, Rachmaninoff, and Chesnokov with Magnum Chorum soloists, as well as *Earth and Water* from McDermid's *From Light to Light* where "the heartbeat of God whispers to dark earth: Be. Here. Now." Rounding out our midwinter offering is Elaine Hagenberg's lyrical *This is My Father's World* accompanied by violin and piano, and *Rest* by Ken Burton, a Black British musician who served as choirmaster for the Grammy winning film *Black Panther*. Join us and let your spirit be filled.

Tune in for this FREE concert on Magnum Chorum's YouTube channel or <https://magnumchorum.org/concerts/2020-2021/heaven-and-earth-be-one>
