Please call the Parish Office for information.

The United States Conference of Catholic Bishops (USCCB) designates January 22 as a particular day of prayer and penance, called the "Day of Prayer for the Legal Protection of Unborn Children." In all the Dioceses of the United States of America, January 22 shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion. As individuals, we are called to observe this day through the penitential practices of prayer, fasting and/or giving alms. Another way to take part is through participating in special events to observe the anniversary of *Roe v. Wade*. Our parish will be hosting a *March for Life* this month on Saturday, January 22nd. All are invited to join us for the march and all are invited to join us afterward in our social hall for lunch and fellowship. More details will be coming in the weeks ahead.

As we prepare for this anniversary in our country's history, let us all take a moment to recognize the beautiful gift of life and how precious life is for all of us. I often ponder the beautiful gift of life because my biological mother chose life and through her decision to choose life, she also chose adoption. Her name is Judy, and she chose life when I know the temptation was ever-present to choose abortion. I was blessed later in life to meet Judy and her family. She informed me of her past and the various difficulties she faced, but I was grateful beyond words for her courage to seek adoption and place me in the arms of my loving parents. It was a joyous moment for me to meet Judy and it was the opportunity for me to say thank you. My parents also met her and it was their opportunity to say thank you. Thank you, Judy, for choosing life. It allowed me to love and be loved, to know the multitude of blessings in this life, to answer God's call, to serve God and His Church, and to rejoice in God's precious gift every day.

God Bless,

Fr. Michael

Parish Life

365 Days of Inspiration

Our Christmas gift to you this year is a Matthew Kelly book entitled *"The Wisdom of Fulton Sheen"*. This is a beautiful collection of inspiring quotes from Sheen's life and works. *The Wisdom of Fulton Sheen* is a powerful collection of his writings that will encourage you to think differently about who you are, how your life is unfolding, what God is calling you to next, and what priorities will lead you to the peace and purpose you desire.

Books will be located at either entrance of the narthex through this weekend. Be sure to take one!

One more planning meeting will be held this Tuesday, January 4 at 5 PM in the St. Kateri Room in preparation for the upcoming annual Roe v. Wade March for Life to be held in Bemidji (Sat., January 22). Anyone is invited to attend.

SPEAK LIFE 2021 #44

My character grows most in my "down" seasons. Somebody said, "Adversity introduces man to himself." In these seasons I evaluate where I am. What brought me there. The role I played. Until I grow through adversity, until I harness my will and keep my emotions from ruling me—my attitude will enslave me. If I discipline my emotions, they can't use me. I am learning to be grateful for adversity. It makes me stronger. Better. What is my season of adversity now? Parenting. The scariest, most rewarding endeavor of my life. And you've been listening to the result with "Baby O." Has it been worth it? Every. Single. Moment.

STEWARDSHIP ~ A HABIT OF THE HEART

Thank you to all who support St. Philip's mission through stewardship giving—whether you use envelopes, give through a recurring gift online or through an account, or if you put money in the basket. Point your camera at the QR code to go to our online giving page.

"There is nothing we have; nothing that is not a gift. Everything we are and everything we have is founded in the loving generosity of the Creator. When we know this, not just in our minds but in the depths of our hearts, then life takes on a whole new meaning. Then we have a whole different perspective about our time or our talents or our treasure, our bodies, our minds, hearts – everything that we are and everything that we have – takes on a completely different perspective."
