Please call the Parish Office for information.

On June 19<sup>th</sup>, we as Catholics celebrate the Solemnity of *Corpus Christi*, otherwise known as The Most Holy Body and Blood of Christ. This year at our parish we will host a diocesan Mass and Eucharistic Procession on June 19<sup>th</sup>, with Mass at 1:00 p.m. and the procession to follow at 2:00 p.m. Bishop Cozzens will be joining us for Mass and the procession.

This event is not only a means to open the Eucharistic Revival in the Diocese of Crookston, but Eucharistic Processions have been a long tradition in the Catholic Church. Eucharistic Procession grew in popularity during the 12<sup>th</sup> and 13<sup>th</sup> centuries when the Real Presence of Christ in the Blessed Sacrament was being more precisely defined by theologians. These theological inquiries led to an increase in the reverence and attention given to the Eucharist outside of Mass. One of the manifestations of this heightened devotion was the introduction of Eucharistic processions, the first evidence of which comes from Cologne, Germany in the 1270's. By the 14th century, the practice of processing the Blessed Sacrament on the solemnity of *Corpus Christi* had been adopted throughout Europe. In cities and towns, these processions took place in the streets, but, in rural communities, Eucharistic processions usually took the form of a procession through the fields. The Church's liturgical books continue to encourage the carrying of the Eucharist in procession on the Solemnity of *Corpus Christi*, describing this practice as "desirable" (cf. *Roman Missal*, Mass formulary for *Corpus Christi*; *Ceremonial of Bishops*, 386). The purpose of such processions through the streets is to give public witness to the faith of the Christian people and to manifest their devotion to the Blessed Sacrament. The ritual book *Holy Communion and Worship of the Eucharist Outside Mass* indicates that it is for the local Ordinary to decide on the advisability of such processions and to approve a place and plan that will ensure that these movements are carried out with decorum and reverence (101). In addition, suitable arrangements should be made with public authorities and law enforcement officials in order to provide for the safety of those who will participate in processions.

Ideally, the Mass of the day will immediately precede a Eucharistic procession. Following the distribution of Holy Communion, a monstrance is prepared and placed on the altar. The Prayer after Communion is offered, the Blessed Sacrament is incensed, and the procession then begins. Eucharistic songs and hymns which are easily sung should be led by a choir during the procession. While not required, the traditional custom of stopping at stations in order to proclaim the Word of God and give a Eucharistic blessing may take place. At the conclusion of the procession, benediction with the Blessed Sacrament should be given in the church where the procession ends. The Blessed Sacrament is then reposed.

This is a beautiful opportunity for all of us to enrich and enliven our faith as Catholics. I know June 19<sup>th</sup> is Father's Day in the United States. It would be a beautiful opportunity for us to thank God for the gift of fatherhood and thank our Father in Heaven for the gift of His Son, which allows us through our baptism to be adopted sons and daughters of God and brothers and sisters in Christ. Let us never forget that we are a family, let us spend the day together giving praise and glory to God.

God Bless,

Fr. Michael

*"The Advocate, the Holy Spirit whom the Father will send in my name, will teach you everything and remind you of all that I told you." (JOHN 14:26)*

The materialism of our society lures us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions. What you put in your head, heart and mind affects your actions. Put good things in and good things will come out.

## Safe Environment

If you or someone you know has been the victim of sexual misconduct on the part of a priest, deacon, or individual representing the Diocese of Crookston, its parishes, or its schools, your first call should be to law enforcement. In addition, the diocesan Victim Assistance Coordinator is available at 218-281-7895 (24-hour confidential number).

## Parish Life

### Summer Hours for Parish Office

For the summer months the Parish Office will be open Mon. to Thurs. from 8:30 AM to 5 PM. On Fridays we will close at noon.

### Widows and Widowers...

If you have lost a spouse please come to this gathering! This support group will have its first meeting on Wednesday, June 15 at 7 PM in the St. Kateri Rm. Questions? Call Dianna at 218-358-0939.

### Serve on the Pastoral Council

Our Pastoral Council enhances the decision-making process of pastoral planning—helping to set goals and develop and implement pastoral programs. The council serves in an advisory role to the pastor. Meetings are held after evening Mass the first Tuesday of each month. (Usually 10 to 11 meetings a year.) Each council member term is for three years, with a possible second term (total six years). Duties to start with the August 2 meeting.

There is still a need for more interested persons to submit their application, so the nominating process has been extended until there are ample names. If you are called to serve our parish in this capacity, apply at [stphilipsbemidji.org](http://stphilipsbemidji.org). Names may be submitted to the nominating committee of the Pastoral Council.

**Dinah #65 Speak LIFE**

I am three. *Still* three years old. Today I want to remind you how helpful I am. For instance, I am an interior decorator. No room looks the same when I am done. When I help—I am very thorough. Remember how I take every single sandwich bag out of their cardboard box? So now that you know how helpful I can be—Mom and Dad—maybe you can help me? You see, even though I like hanging out with you, I would really enjoy having someone little around like me. I want to be a big sister—and I can help! ~a.m. optdahl

**However the Supreme Court rules in the Dobbs v. Jackson case (the new abortion case that could affect abortion laws for decades to come),** abortion policy in Minnesota won't immediately change. That's because in a 1995 decision, *Doe v. Gomez*, the Minnesota Supreme Court ruled that our state Constitution includes a right to abortion. **This means pro-lifers in Minnesota still have a lot of work to do.** We must strengthen our efforts to change hearts and minds, support pregnant women, and pass protective laws. [At this time, the U.S. Supreme Court has not yet handed down its decision in *Dobbs*. **The decision is widely expected sometime in June, but could come at any time.**] -MCCL NEWS, Vol. 52, No. 2 (pg. 4); March-May 2022
