November is the month dedicated to the Poor Souls in Purgatory. Although we can and should pray throughout the year for the deceased, the Church provides wonderful opportunities to earn indulgences for the Souls in Purgatory particularly during the first week of November:

One can gain a plenary indulgence by **visiting a cemetery each day between November 1 and November 8** (also known as the **Poor Souls' Octave**) and praying for the departed, even if the prayer is only mental. These indulgences are applicable only to the Souls in Purgatory.

A plenary indulgence, again applicable only to the Souls in Purgatory, is also granted when the faithful piously **visit a church or a public oratory on November 2**. In visiting the church or oratory, it is required that one Our Father and the Creed be recited.

The usual plenary indulgence conditions apply: receiving Communion, going to Confession and prayers for the Holy Father. Praying for the souls in purgatory doesn't end on November 8. The whole month is dedicated to the faithful departed. Even outside of the Octave, one should plan on visiting local cemeteries throughout the month and pray for the Souls of our loved ones and all those who have departed from this world. November is the time of year with more reminders of "dying" or ending. The Liturgical Year is ending soon; the last Sunday of the Church year (Christ the King) is November 26. The liturgy of the last weeks of Ordinary Time focus on the Four Last Things: death, heaven, hell, and final judgment. The Church wants us to think of our ending. Our cemetery visits are walks in nature, viewing the autumn season with falling leaves and the "dying" or hibernation for winter, the end of the growing season. Our prayers and actions during November for the faithful departed are opportunities for all of us to make internal connections, and deeper connections with the members of the Communion of Saints.

*Eternal Rest, grant unto them, O Lord,
and let perpetual light shine upon them. May
their souls and the souls of all the faithful
departed, through the mercy of God, rest in
peace. Amen.*

In Christ,
Fr. Michael

Parish Life

Thank You and Best of Luck...

The Parish Office staff is currently in a transition period. Parish Administrator, **Maryhelen Chadwick**, has accepted a position at the Bemidji Veterans Home. **Tina Stearly**, our Bookkeeper, is now working with the Little Saints Daycare. We thank them for the excellent service and dedication they have provided to St. Philip's Catholic Community over these past years. They will be missed!

Employment Opportunity

The Diocese of Crookston seeks a **full-time Staff Accountant** who is a self-motivated and team-orientated professional of high integrity possessing a great work ethic and passion to fulfill the Catholic Church's mission. The position will be based at St. Philip's Church in Bemidji and will provide accounting services to Catholic parishes in Bemidji and the surrounding area. Duties include cash receipts, cash disbursements, payroll, preparation of monthly financial reports, and preparation of budgets. The position is 40 hours per week and offers full benefits (including paid time off, health and dental insurance, life and long-term disability insurance, and pension). A four-year accounting degree and knowledge of Microsoft Excel is required. To apply, send a resume with cover letter and references to Chad Ryan at cryan@crookston.org. Position open until filled.

Calling All Snowbirds!

The time is fast approaching when our snowbirds will be thinking about making their journey south. It would be very helpful if you would contact the Parish Office by phone or email to let us know when you will be leaving, returning in the spring and for us to have your snowbird address. This will allow us to pause envelope mailing and forward tax statements. Send this information to rector@stphilipsbemidji.org or call the Parish Office at 218-444-4262. Thank you!

Stewardship of Financial Resources

Until the position of Bookkeeper/Accountant is filled, we will not be able to publish the financial information in the bulletin. Thank you for your understanding and continued financial commitment to St. Philip's Church.

National Vocation Awareness Week

"National Vocation Awareness Week will be celebrated in our country Nov 5-11, 2023. Please ask Our Lord for more dedicated, holy priests, deacons, and consecrated men and women. May they be inspired by Jesus Christ, supported by our faith community, and respond generously to God's gift of vocation."

Our vocations director for the Diocese of Crookston is Fr. Matt Schmitz. Last Christmas, when his mom asked what he wanted for Christmas he said, "Four new seminarians for the Diocese of Crookston who will become priests."

Please tear out this prayer and pray it daily!

*Dear Lord, please send four new seminarians for the Diocese of Crookston who will become holy priests. Touch their hearts and minds to hear and respond to Your call.
In Your Name, Lord Jesus, Amen."*

Carmelite Corner

Lay Carmelites of The Most Pure Heart of Mary

Many Christians struggle to live in the holy land while political unrest and war continue. Christians continue to leave the holy land, due to the difficulties that become too much to bear. We want to support them with our prayers. We especially pray for the two Carmelite communities in the holy land. We pray to place the people under Mary's care. We pray for peace, the peace that only our God can give.

A summary of a letter from Fr. O' Neill, O Carm., Prior General. Join us in our prayers and attend the next meeting of the Lay Carmelites. Tuesday, November 21, at 5 PM in the St. Kateri room. Call Pat Sturk for more information, 218-398-0814.

Excerpts from Fr. Ambrose: Conscience considerations surrounding vaccines.

Taken from Population Research Institute website: www.pop.org. "Ethical considerations surrounding vaccines have been debated for some time. Ques: Is it true that COVID-19 vaccines are created using organs of aborted infants? Ans: When we first heard about the experimentation on human embryos and fetuses many years ago, most of us were incredulous. It is difficult to imagine the perversion of the human heart which justifies the use of vital organs of infants, even if the intention is to help others. This is a grave thing to do to anyone, but the sin is compounded and increases in gravity when that person is innocent and defenseless. Even if we had used the body of only one infant that was spontaneously aborted, it would be a grave injustice.

The Eugenics movement which dawned in the 1920's oversaw the forced institutionalization and sterilization of the 'feeble-minded' and made medical experimentation on human beings 'acceptable'. Following this and well into the 1970's, organ harvesting on live fetuses of gestational ages of 3-4 months was not uncommon."

This column series will be continued in the weeks to come.
