Please call the Parish Office for information.

Today we celebrate Christ as our king. The readings invite us to reflect on the kind of king Christ is and what it means for us to say that we belong to his kingdom. The first reading from Ezekiel suggests that human leaders have proved utterly unwilling to govern by God's principles, and so the Lord himself will come to lead us. This promise is fulfilled in the person of Jesus Christ, who used his authority to serve and assist others. God's idea of leadership is to tend to the needs of those who are vulnerable. We have a king who pays attention to us and helps us *not only* when we are needy and disadvantaged, but *especially* when we are needy and disadvantaged. Specific actions mentioned in today's Gospel are feeding the hungry, giving drink to the thirsty, clothing the naked, sheltering the homeless, visiting prisoners and taking care of the sick.

Is Christ a "king" then? Yes, but not in the sense in which other kings are kings. He is the only king who really does what we always, deep down, hope for from every kind of leader: he rescues us from evil and restores our peace. He rescues us, St. Paul says, from our deepest, darkest, most threatening enemies, sin and death, and he brings us into a new place, into new relationships, with God, with one another and with the world.

God knows whether our hearts are compassionate like the sheep in the Gospel story, or if we are pretending to be compassionate, like the goats in the story. God wants our hearts to be truly compassionate, particularly singling out the hungry, the thirsty, the stranger, the naked, the sick and the imprisoned. Perhaps we could consider ministries to support that involve any of these groups of people. Perhaps we could help at a local food bank. We could learn more about the root causes of thirst and hunger in the world, and ways in which environmental groups are trying to conserve our natural resources. We could support peace groups that try to prevent wars. Do we welcome strangers to our area, such as refugees or people of other faiths? Or can we consider ways to support prisoners and their families?

Jesus is *our king* who constantly ministers to those in most need.

I pray you had a very grace-filled and joyful thanksgiving. We now turn our attention to preparation for the coming of our Lord.

Jesus loves you,
Fr. Bill

Parish Life

New Altar Server Training

The Altar Server Ministry is one of the most rewarding opportunities for youth at St. Philip's Church. God calls us to serve and Altar Servers provide an important service to our parish life. Serving at the altar is not only a great privilege; it is also the source of great blessings. Through this ministry, young people have the opportunity to: be involved in the parish team; learn about service; learn more about the Catholic Church and the Mass; and grow in faith.

Altar Server Training will be held on November 29.

Two sessions will be offered, you only need to attend one.

3:00 to 4:00 or 4:30 to 5:30 at St. Philip's Church.

Pizza will be served after the 4:30 to 5:30 session.

Altar Servers must be Catholic and have received the Sacraments of Eucharist and Reconciliation.

This training is for new Altar Servers, current Altar Servers do not need to attend. However if you are already an Altar Server but have not served in awhile, you can attend.

Contact Bonnie Lee for additional information: 218-444-4262 or blee1@stphilipsbemidji.org

We are very blessed at St. Philip's Faith Formation to have people who are called to help our children and youth grow in the Catholic Faith. They come from many walks of life: high schoolers, college students, adults with children in Faith Formation and adults who do not.

What they all have in common is a desire to guide the children and youth along their faith journey and to share our faith and beliefs with them. We are most thankful for their dedication.
