The Truth About What Matters

January 14, 2024

My reflections here originate from a recent set of teachings from the Daily Rosary Meditations app that I try to follow each day. They spoke to a spiritual challenge that I and perhaps you have dealt with or are dealing with at this time. It is a challenge that comes from those outside the Church and also from members of the Church. The challenge is that the Church seems to be nitpicky when it comes to her teachings. Sometimes it seems that the Church is making things overcomplicated with all its distinctions. Didn't Jesus give us a simple message of love of God and love of neighbor?

As the Rosary Meditations for the day (Jan. 10) pointed out -- the Catholic Church is very precise about her teachings for a very simple reason: when you care about something, you try to get the truth of the matter precisely. The Catholic Church thinks that the truth about God and the truth about humanity is very important. Because the Church loves God, she wants to preach and defend the precise truth about God. Because the Church loves humanity, she wants to preach and defend the precise truth about the good of our neighbor.

Most everyone thinks their physical life is important. So we won't go to a surgeon who doesn't seem that concerned about details of our health. No. We want our surgeon to be really precise, to know what's really going on. So why would we want a Church that takes a laid-back and happy-go-lucky approach to our spiritual life and salvation? If you truly care about God, heaven, and you and your neighbor's spiritual health and well-being, you want a Church that takes the truth seriously and who can give you precise instructions about what is true and false, right and wrong. If we don't care about religious truth, it really means we don't care that much about God or the soul of our neighbor.

If you want to cultivate a love of God, wouldn't you want a Church that cares enough about God to develop the truth about Him with the greatest enthusiasm and in the greatest detail? The 8th Commandment doesn't just tell us not to lie, it tells us to care about the truth. And you can't really care about truth without caring about details. For example, the Church fought for transubstantiation over consubstantiation, because if the Eucharist is only bread, we should not adore it -- and if it is Christ's Body and Blood, we should. Another example is the distinction between contraception and Natural Family Planning. The Church discourages and forbids contraception but allows NFP because one means doing something to sterilize and stifle love between a man and a woman and the other doesn't.

Truth at first may be difficult to accept and follow, but if you love God and your neighbor you will care about getting the truth about them right and ultimately be grateful for the clarity offered by the Catholic Church. ~Fr. John Kleinwachter

Eucharistic Revival in our Parish —

Jesus and the Eucharist, 7-Week Study Program

This study was specifically designed for this Year of Parish Revival, and we will be joining many other parishes throughout the United States in participating in this small group study as we journey together through this three-year National Eucharistic Revival. Each session is full of rich theological content, powerful testimonies, and unique and timely messages from bishops across the country. No reading required ahead of meetings.

Please plan join us on **Monday mornings** (9:15 to 11:15 AM) or **Monday evenings** (6:30 to 8:30 PM) **beginning Monday, February 5 (first session)**. Meetings in the Social Hall, hospitality will be provided. We hope to see all of you at the sessions! **Helpers needed:** to run videos, be table leaders, provide simple hospitality. Registration for the sessions and sign up to help after Mass the next two Sundays.

Another Option: You may also form your own group with friends and neighbors and do the program in your own homes. All materials are available on-line. Check out session materials at: eucharisticrevival.org (resources) **Questions**, contact Fr. John (218-686-5029).

Attention High School Seniors

The Bemidji Knights of Columbus offers \$500 scholarships for high school seniors who are Catholic, a member of St Philip's or Wilton parishes, and will be attending college or trade school in the fall of 2024. Applications are available in the HS Guidance Office from Barry Cervenka. Or, by email from Norm Ricard, nsricard@paulbunyan.net It is not necessary that your father is a member of the Knights of Columbus, but he is encouraged to join.

"Jesus turned and saw them following him and said to them, 'What are you looking for?'" - John 1:38

When we recognize who we are, it's easier to find what we are looking for. Once we see ourselves, and others, as children of God, we spend less time looking for the material comforts of the world. Instead, our hearts long for something deeper that can only be filled by God. Ask God daily how He wants you to live the life He intended for you.

Watch out for "Minnesota Right to Life"

(Recently sent out an appeal for funds)

Minnesota Right to Life is a scam created by the Dorr brothers, well-known scammers who have created fake groups (both gun rights groups and pro-life groups) in a number of different states. You can learn more about the Dorr brother scams at MNScammersExposed.com and DorrBrotherScams.com. Despite its deceptive name, Minnesota Right to Life is not affiliated in any way with the National Right to Life Committee. MCCL is the sole Minnesota affiliate of the National Right to Life Committee. We at MCCL have been working to protect innocent human life since 1968, and we will continue to do so long after the Dorr brothers have moved on to their next con.
