What's Happening at OLOS

OLOS Staff Needed

As you may or not be aware, the OLOS staff is in need of three new members- Music Director, Director of Faith Formation, and Maintenance Coordinator. We are working on posting these positions and hopefully filling them as soon as possible. If you know of anyone who may be interested in these positions, please ask them to go to the OLOS website for full job description. Please pray for the hiring committees and staff as we work through interviewing and hiring new members.

ECO-TIP OF THE WEEK: Cover the pool!!

Do you own a swimming pool? Cover it with a pool cover or tarp when it is not in use in order to prevent the summer heat from evaporating all of the water and pool chemicals into the atmosphere. Consider the chemicals that you treat your pool with as well. Try to purchase organic pool chemicals and research natural pool treatment methods. Visit http://greenlivingideas.com/2008/07/07/greener-pool-cleaners/ for more information

From Senior Deacon Mike:

In our Gospel this weekend, Luke relates the story of a landowner seeking more possessions.

Jesus reminds us...

"Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions."

18th Sunday of Ordinary Time

The class was having a discussion about what really matters in life and where we find a sense of value and success. As the students grappled with the notion of material wealth and its importance to a sense of accomplishment, one girl recalled a conversation she had with her friend as they browsed through the flea market at the parish summer festival. As they looked at all the items for sale, her friend remarked, "Imagine! All this meant something to someone a long time ago. Now it's all junk!"

Jesus tells the parable of the rich man who places his trust in his material wealth. But His disciples must place their hope and treasure, their value and worth in the Lord. It is not worth the effort to focus time, energy and attention on things that will not last, if we lose the chance to build wealth that lasts forever. Material things are important, but not at the cost of our values, morals and ideals. As the popular proverb says, you can't take it with you!

Focus on your spiritual investments and possessions. Make a little time for prayer. Volunteer for service to others. Make it a habit to give to the food bank, or other group in your parish that helps the needy. Use your rosary. Attend Mass on vacation. Don't neglect your spiritual needs and values. It is the only thing you take with you.
