PARISH FINANCIAL NEWS

On average, it costs **\$12,100** per week to run the parish. There are two sources for this amount: the Grand Annual Campaign and the weekly offertory. Last week's offertory amount was **\$4,036 and the six month average for electronic giving is \$4,000 per week.** Thank you to all who contributed.

For those of you who are not contributing at this time but would like to begin and for those of you who are able to increase your amount, there are two easy ways to donate:

1. *If you have online banking, you can set up Our Lady of Sorrows as a regular "payee." While this is not an electronic funds transfer (we still get a paper check directly from your bank), it does allow you to make regular gifts to the offertory on a weekly or a monthly basis.*
2. *You can also support OLOS on a regular basis by going to www.weshare.com and setting up an account for a regular automatic gift.*

The next meeting of the OLOS Book Group is scheduled for Sunday, September 28th from 2:30-3:30 p.m. We will meet via Zoom to discuss *The Diary of a Country Priest* by Georges Bernanos.

The Book Group meets one Sunday afternoon a month to discuss books that broadly deal with spiritual or religious themes.

For the Zoom link for the meeting, please contact Monica LaFond at mlafond@olossharon.org.

Our next reading selection is:

October 26, 2025 - The Fourth Cup: Unveiling the Mystery of the Last Supper and the Cross by Scott Hahn

We are now compiling a list of books to read during the upcoming year. Suggestions are welcome! Please email your ideas to mlafond@olossharon.org.

As we return to Faith Formation classes this fall, we are in need of adult teachers, facilitators, and substitutes for our PreK-Confirmation program.

PreK-Grade 5 Teachers, assistants, and substitutes are asked to serve two to three Sunday mornings a month from 9:45-10:45 am.

Middle School Facilitators assist the Middle School faith formation teacher and serve one Sunday a month from 5-6:30 pm.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
