No. 4 Constitutional Amendment, Article 1, New Section Amendment to Limit Government Interference with Abortion

No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

No "doctor" required! No Parental CONSENT needed! No restrictions...Abortion up until birth! Don't be fooled! It's deceptive & too EXTREME!
