

PARENT SUPPORT AND COMMITMENT

Today I/we attended a meeting, which marks the beginning of my son/daughter's two-year preparation to receive the Sacrament of Confirmation. During this time of preparation, I/we, the parents of:

(Confirmation Candidate's Name)

Commit myself/ourselves to:

- Encourage our teenager to participate fully during this time of preparation;
- Transport our teenager to all activities involved in the program;
- Volunteer for tasks I am willing to undertake;
- Attend all activities where there is parental involvement;
- Attend Mass weekly, as a family, with our teenager; and
- Pray for our teenager and all the other Confirmation candidates.
