## Parish Mission Statement

St. Mary is a vibrant Catholic community in the Benedictine tradition, baptized into the life of Christ and committed to:

- ♦ Celebrating the Sacraments with dignity, joy and reverence;
- ♦ Living the Gospel, and serving and welcoming all as we would Christ Himself;
- ♦ Working for peace, justice, reconciliation and compassion for the poor, the immigrant, youth, the elderly and those without power in our society;
- ♦ Respecting all life from conception to natural death;
- ♦ And helping each other to grow in holiness by our lives of humility and compassion.

We welcome all to St. Mary Church regardless of race, ethnicity, sexual orientation, marital status, ability or life situation, and invite all to join us as we work to accomplish our Mission.

## Parish Survey Update

I would like to thank everyone that participated in our recent Parish Survey. The feedback was more than we expected, which was great. With over 350 surveys to go through now we have the task before us to process the information

and then give a report back to the Parish. This process will take some time, but I wanted you all to know I will try to have a report ready by the end of September.

Thank you for your patience

THE  
FAITHFUL  
DISCIPLE

### GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

Our oldest son is deaf. I vividly remember watching him notice sounds for the first time in the days after his cochlear implant was activated: the "caw" of a crow, a doorbell, the low rumble of the furnace kicking in. Our job as parents was to provide a running commentary to help him understand the meaning of each sound that so many of us take for granted: "See the birds? That is a crow!" "Your dad is home." "The heat is coming on." I'm reminded of those early days when I read Mark's account of Jesus restoring hearing to the deaf man. While most of us can hear, so often we take the sounds all around us for granted or relegate them to background noise – including the Scripture we hear at Mass each week. As Bishop Robert Barron writes, "This deaf man stands for all of us who do not hear the word of God, who have grown oblivious to it." As we listen to today's readings, we can ask Jesus to open our ears and our hearts to the word of God.

### GO EVANGELIZE

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

Mark spares no detail in describing Jesus' encounter with the deaf man who had a speech impediment. Jesus places a finger in his ear and spits, touching his tongue, then utters the word "Ephphatha!" ("Be opened!") Immediately, the man can hear and speak clearly. When listening to this reading, I often focus on the man's hearing. But Jesus also cured the man's speech impediment, which I think indicates we're not supposed to just hear God's word, we are to speak to it, and speak of it. Once we allow Jesus to open our ears and hearts to the Good News, sharing it will begin to come naturally. There may still be times when our Catholic tongues feel tied, but "Be strong, fear not!" Jesus will give us the words.

**ACTIONS** Next time you take a drive, listen to the day's Scripture readings. Ask Jesus to open your ears and hearts to his words and show you how best to share them with others. And most teachers would agree: The more senses we engage, the more we take in. If you have trouble following the readings at Mass, open your missalette and read along silently.
