## From Our Pastor, Fr. Jim

### Celebrating Parishioners Generosity....

The wonderful success of Oktoberfest last weekend demonstrates the great generosity of our parishioners and the bountiful graces from God. Our Poor Clare Nuns pray daily for us but especially for our Oktoberfest success and favorable weather...and once again we witnessed the power of their prayers! Their spiritual 'boost' and the hard work of so many parishioners came together beautifully! I was inspired to see so many new parishioners stepping up to work side-by-side with our faithful long-time parishioners.

The whole event continues to be a blessing to the larger community as we give witness to Gospel hospitality!

We are still tallying receipts before we can share with you a final profit amount. The Oktoberfest proceeds are a great blessing to our Capital Development Fund for our church building.

As always, there are an unlimited number of people to thank. Our generous chairperson **Tom Knaust** did a great job leading the 'core team' which includes over 50 persons leading hundreds of volunteers. Our awesome set-up and clean-up crew were there around the clock from Friday through Sunday!

Mark the date in your calendar for next year's Oktoberfest, to be held on 30 September. It is always the last Saturday of September since that is the date the official Oktoberfest in Germany begins!

With a grateful heart,  
Fr. Jim Deiters

**Congratulations** to our Lil Otto Winners: Brian Blasco, Winnie Kenney, Cetizes Guinn, Elizabeth Niernan and John Degenhart  
Big Otto: Kevin and Linda Rademacher

## Journey to Justice Retreat: Catholic Reflections on Our Call to Address Racial Inequity

**Saturday, Nov. 5, 9 a.m. to 3 p.m.**

(Continental Breakfast Available at 8:30 a.m.)

**Visitor's Center, National Shrine of Our Lady of the Snows**

442 S DeMazenod Dr, Belleville, IL

**Co-presenter – Fr. Mark Dean, OMI**

**Cost: \$15 (Includes Lunch and Continental Breakfast)**

In the U. S. the average Black and Hispanic households earn about half as much as the average White household and own only about 15 to 20 percent as much net wealth. This racial inequality didn't just happen accidentally. It was the result of a long history of social policies, institutions, and procedures. Many well-intentioned people were blind to these systems but nevertheless benefited from them while others fell farther behind.

Catholic moral theology has long recognized the responsibility to repair harm or injury done to another. There exists a serious obligation to repair the economic injuries and material deprivation that has been inflicted upon communities of color. How can this be done when the problem wasn't created by any one individual and was centuries in the making?

This retreat will prayerfully reflect on what led us to where we are today and our Catholic teaching on social sin. More importantly, we will consider the call of the Gospel, how the Church is responding and what we might further do to repair past harms.
