Celebrating Our Beautiful Church Building

Many visitors and new parishioners often ask questions about our church and artwork once they see our beautiful building. I want to remind everyone of the video series I created a couple years ago that describes in detail the various components of our church architecture and its artwork. The link to these videos is below and also on our website, under the tab "Our Parish."

The videos are a great way to learn not only about our own church, but in the videos, I explain a brief theology and historical background to each part of the church and artwork. For example, in one video, I give a history of the Stations of the Cross and describe our own icons, and another has an overview of how we chose the Crucifix in our church. Do you know what our stained-glass windows represent? Do you know about the stone pattern on the walls?

I remind you of these videos to consider using as a "Summer Family Night" at home or maybe watch with the kids in the van/car while driving to your vacation spot and having a faith conversation about each of them. There are 12 videos, each about 20-30 minutes. www.stclarechurch.org/our-church-art-videos

What a great way to learn about your own St. Clare Church as well as your Catholic faith.

God's Peace be with you,
Fr. Jim Deiters

Special Thanks...

Debbie and I thank you for the celebration of my retirement from active ministry. We are grateful for the numerous notes, cards and gifts we were given.

I especially enjoyed talking to so many parishioners as we remembered baptisms in the family, or their deceased loved ones when we celebrated their lives.

Others remembered blessings for their unborn children still in the womb, and blessings of pets, Bibles, religious articles and other blessings. For these we felt very blessed.

Peace,
Deacon Dennis

If You Don't Help

Who Will?

1 in 4 women and 1 in 7 men will experience domestic violence from an intimate partner.

We know people are in your community and afraid to get help.

They need your help.

You know them. They've visited your business. They've interacted with you and your staff. You could be their only line to safety. So many are afraid to leave because they don't know how.

You Can.

Your business or organization can become a Safe Place for Domestic Abuse Victims – a safe place where victims are recognized and referred for help.

This month, as we celebrate the Independence of our Country, let us also be mindful of our need to become more dependent on our Lord Jesus Christ, truly present in the Blessed Sacrament.

He is our ultimate freedom from all forms of slavery, oppression, sin and our heart's longing for peace, worthiness and love.

Everyone is Welcome

Please call the parish office at 632-3562 for the keypad code if you plan to come between 7 p.m. Sunday and 7 a.m. Monday.

Thank you to the parents and grandparents who brought their children to our Vacation Bible School this past week. The fun-filled learning event teaches children ages 4-10 wonderful Bible stories centered on a different theme each year. As they rotate through the various centers, they learn more about those Bible stories through games, crafts, music, prayer, recreation and snack time. The children always remember this exciting week!

This year, 125 students learned about the parables that Jesus told to help us understand the Kingdom of God. Through these Bible stories, the children discover how much God loves us and wants to have a relationship with Him. Then, we ask the parents to keep these “Good News” conversations and actions going at home for these young disciples of Jesus! We were so blessed to have 70 volunteers – youth and adults – who taught the children and led them through the activities. How wonderful to see these leaders and helpers sharing their faith and being such positive, faith-filled role models for the younger children! The Holy Spirit filled our volunteers with God’s love and joy – plus patience and wisdom – and it showed!

Thank you to all our volunteers, and special thanks to our key VBS leaders:
