We, the people of St. Clare of Assisi Parish, Diocese of Belleville, are called by God in baptism to be disciples of Jesus Christ. Centered in the Eucharist, and strengthened by the gifts of the Holy Spirit, we strive to live the Gospel and further the reign of God. We do this by creating a vibrant faith community, by actively promoting justice and evangelization, and by using our gifts in the service of God's people, to give glory to God and reverence to all of Creation.

From Our Pastor, Fr. Jim

Gratitude for our Ministry Leaders

St. Clare Parish is blessed with many generous volunteers who chair and/or lead our wide variety of ministries. Our parish staff and I are so grateful for the ways they help organize our many volunteers who sign up for these ministries.

One set of leaders I want to acknowledge is our Parish Pastoral Council. We meet 5 times a year for visionary conversations about the strengths and growth opportunities for our parish. I often ask them valuable questions such as *"What else can our parish be doing to serve the poor?"* and *"How are we doing at keeping Jesus' Mission as our priority?"* I also share with them important reports from our staff, school, and finance council.

When "parish councils" were first created in the 1970's, they were more involved in parish management and issues that are now served by our professional staff. The Church's guidelines asks that the Pastoral Council be more focused on the bigger issues of mission and the spiritual life of the parishioners. If you have any questions or suggestions for them to bring to our next meeting in February, feel free to contact them or me.

Presently our Council Members include:

Jackie Burke, Michael Crupe, Deacon John Gomez, Amber Hardy, Will Kinsella, Dawn Lurk, James Pavlisin, Bruce Rackers, Jim Sabella and Rita Zinn

God's Peace be with you,
Fr. Jim Deiters

P.S. Issue of ringing phones at Mass A good number of people asked me to address this issue as the distractions seem to be increasing recently. The best solution is that everyone leave their phones in their car to be more fully present to worshipping God at Mass. If you feel a need to have your phone with you, please make a more conscious effort to have it silenced.

A motivator: I suggest that if your phone goes off, make an extra \$100 donation to the poor in an envelope next weekend.

We extend our prayerful love and sympathy to **Toni Stanton**, on the recent death of her father, **Don Habermehl**. May he rest in the peace and love of Christ. May the gift of memories and the prayers of this faith family comfort the Habermehl family and all who are mourning the death of a loved one this month of "remembrance".

Guatemala Sister Parish Update

We have been sister parishes with Our Lord of Esquipulas Parish in Guastatoya, Guatemala, for several decades. Our parishes have exchanged visits, pray for one another, and help each other. While our assistance is often financial and allows us to practice a preferential option for the poor, Our Lord of Esquipulas parish teaches us about simplicity, joy, compassion, solidarity, and being poor in spirit (and reality). Unlike where we live, with several Catholic parishes in the O'Fallon area, our sister parish is in a mountainous region of Guatemala and includes Guastatoya, a small city of about 25,000 people, and many small, mountain villages (aldeas) that, combined, contain about 25,000 more people. These villages range from 50 to 5,000 people in size.

La Paz (meaning "peace") is the smallest and poorest of those villages and is a 45–60-minute hike from, literally, "the end of the road" (seriously, ask anyone who has visited our sister parish). Over the years, our parish has helped La Paz by providing support for their village's one-room schoolhouse, solar panels (since La Paz is not connected to the electric grid), and by funding research to increase their access to water (they had to walk up and down a steep mountainside to reach a small spring). Two weeks ago, after several years of engineering research and planning and several weeks of work, the village of La Paz finally has sanitary bathrooms (specialized latrines that use a waterless anti-bacterial system) and access to flowing water through a solar-powered pumpstation that brings water up the side of the mountain. Photos show one of the latrines and the pumpstation.

Please continue to pray for the people of La Paz and all people in our sister parish. Thank you!

November is Palliative and Hospice Care Month

The Catholic Church supports palliative and hospice care in the face of growing legalization of euthanasia and assisted suicide around the world. What are these terms?

Palliative Care: Relieves the pain of a serious illness while working with primary, curative care

Hospice Care: Focuses on the pain, symptoms and stress of a serious illness during its terminal phase

Euthanasia: One person intentionally acts to end the life of another person who is deemed to be suffering

Physician Assisted Suicide: A doctor assists the patient in acquiring the means to commit suicide

What does the Catholic Church support? Those whose lives are diminished or weakened deserve special respect. Sick or handicapped persons should be helped to lead lives as normal as possible.

Whatever its motives and means, direct euthanasia consists in putting an end to the lives of handicapped, sick or dying persons. It is morally unacceptable. Even if death is thought to be imminent, the ordinary care owed to a sick person cannot be legitimately interrupted...

Palliative care is a special form of disinterested charity.

St. Clare Catholic Men's Group
