

**Universal Prayer**  
**32nd Sunday in Ordinary Time**  
**November 10 & 11**

We pray that families and mentors will encourage young people to consider a vocation to the priesthood or religious life, and that parishioners Nick Fleming and Joel Seipp, currently in formation for the priesthood, will be strengthened by the Gifts of the Holy Spirit.

We pray for the United States Bishops who will meet in Baltimore this week for a general assembly. May God's Spirit of Wisdom guide their discussion as they address the needs of the Church in the United States.

We pray that all peoples of the earth will be inspired by God's faithfulness and abundance, sharing their resources with those who are less-fortunate. And may generosity and love of neighbor be at the forefront of all international relations.

As our nation commemorates the 100th anniversary of Armistice Day, we pray that all nations will strive to avoid war and conflict. And may our country's commitment to peace be a sign of gratitude for the sacrifice of our nation's veterans and their families.

We pray for our newly elected leaders, and all who exercise authority in government. May they use their power in the service of others and surrender the desire to profit from their positions

We pray for refugees, outcasts, and the forgotten of society: that hearts may be opened to their struggles and our communities motivated to work to ease their suffering.

We pray for faithful, generous stewardship within our parish. In our giving of time, talent, and resources, may we embody the humility and sacrifice of the widow in the gospel as we give our best for the glory of God.

We pray that all the souls of the faithful departed, through the mercy of God, will rest in peace...especially Bill Musser
