

Universal Prayer
Solemnity of the Ascension of the Lord
May 29

We pray for the Church, deriving life from the witness of the first apostles: that we may continue their work of preaching repentance to all the nations for the forgiveness of sins.

We pray for the nations of the world: that Jesus, who mounted His throne as ruler of them all, may raise up for the nations leaders after His own heart.

We pray for those who are far from the Church and her sacraments: that the Holy Spirit promised by the Lord may be stirred up in them through our loving and fervent prayers.

We pray for those who are suffering: that Jesus, who experienced suffering, may fill them from within with courage, healing, and grace.

We pray for the Christian community: that through our celebration of the Paschal Mystery and the Easter season, we may be renewed in spirit to live for Christ each day and place our talents and energies in the service his reign.

We pray for Deacon Thomas Lugge, who will soon be ordained a priest for our diocese: that the Holy Spirit may guide him in his final weeks before Ordination.

We pray for our faithful departed ones: that they may be with Jesus in the place He has prepared for them, rejoicing in His love ...and for
