SPECIAL FR. MICHAEL GAITLEY EVENTS: "DIVINE MERCY" SERIES

Whether we realize it or not, we all long for the mercy of God, which is why Pope Francis has declared this year an extraordinary Jubilee of Mercy— a special year which invites us to experience the love of God more profoundly. On Divine Mercy Sunday (April 3), Formed.org will release, for a limited time only, "Divine Mercy," a program exploring and explaining the richness of divine mercy, featuring renowned author and speaker, Fr. Michael Gaitley. St. Catherine of Siena parish has special access to this series and we would like to invite you to join us. Thursdays, beginning April 14th (at 9:30AM & 7PM), we will air the sessions of "Divine Mercy" each week as they are released, with discussion to follow each video segment. Light refreshments will be provided. Please call or e-mail Derek with questions 603-232-7213 dmcDonald@scsnh.com

SCHOOL YEAR 2016

Peeking into . . . Grade 2

The second graders have been hard at work as spring arrives! They have been putting a lot of time and thought into their Science Fair Projects. We are building Goldberg Projects using four simple machines to trap aliens! The students will use an incline plane, a lever, a pendulum, and a pulley to get the job done. They have had a lot of fun with their teammates planning how they will trap these little aliens. The students recently finished their Famous People Reports. They each read a biography of a famous person and wrote a book report. Then they dressed up as their famous person and presented their reports in the form of a riddle. It was so cool to have so many famous people in one room! In math, we are studying money. We are discovering different ways to make a dollar and soon we will begin making change for different purchases. The students seem to really be enjoying this unit! The students have also started getting ready to make their First Holy Communion. They are very excited and ask a lot of questions every day about the Eucharist and First Holy Communion. Their enthusiasm for this Sacrament is really beautiful to see. This second grade class has been so much fun to work with. They really are a hard working bunch of students!
