**A Word From Fr. Timothy Sandquist**  
**Fr. George's Health**  
Father George found out a few days ago that he has cancer in his right kidney. He is going to Rochester this week to have his kidney removed. They will also do a CT scan to make sure there is no other cancer. He will be taking time off to recover from the surgery. Please pray for no more cancer and a speedy recovery.  
**Most Holy Redeemer Roof Update**  
This past week, professionals conducted a detailed investigation of the church’s leaky roof. They identified several issues on the parapet near the bell tower, including cracked bricks, loose mortar, and unseated flashing. Repairs to the bricks and mortar are scheduled to take place this week, with flashing repairs delayed until September due to contractor availability.  
The investigation cost \$4,000, largely due to the use of an 85-foot boom lift. The upcoming brickwork will cost approximately \$10,000.  
I am looking forward to solving the plaster water damage problem above the choir loft.

**Mission Appeal**  
This weekend, we welcome Fr. Cesar Echegaray from The Lamb Shall Lead International. This community, based in the Philippines, is dedicated to serving and evangelizing the poor and helping the poor to become evangelizers themselves. Funds from the appeal will be used to:  
1) replicate sustainable livelihood in urban and rural areas through livestock and organic farming in addition to formation of missionary cooperatives  
2) establish a training center to develop capacities for management leadership and education-formation of lay missionaries  
3) provide care for malnourished children and to help the elderly sick through medical, optical and dental healing missions  
4) rehabilitate the poor affected due to outmigration, forced relocation, and natural calamities.  
-Fr. Timothy

**The Catechesis of the Good Shepherd** The atrium (or prepared environment) is one of the important elements that helps the relationship between God & the child to flourish. After a theme has been presented, the child is free to choose an activity that will make possible the inner dialogue with the Holy Spirit. In a traditional classroom, the primary relationship is thought to be between teacher & child. Montessori noted a third important, but often silent partner in education: the environment. Children learn more from interaction with environment than from direct instruction from a teacher. The Catechesis of the Good Shepherd is a method of faith formation for ages 3-12 that occurs in a prepared environment called an atrium. This summer, the catechists at Most Holy Redeemer are preparing the atrium for the children. To learn more or to schedule a visit; Kathy Ruhland [kathyruhland55@gmail.com](mailto:kathyruhland55@gmail.com) or 612-483-6868.
