**The children in the Level III atrium** (ages 9-12) began learning about the gestures of the Mass when they were 4 year olds. These gestures are so important to the Mass that they can't be left out. As they get older, the children ponder the prayers that Father uses with each gesture. Finally, they put all the ges- tures and prayers in the order they occur at Mass in a synthesis of the Mass work, the culmination of which is then creating their own Mass missals with illustrations of the gestures and writing out the prayers that accompany them.

A Word From Fr. Timothy Sandquist

St. Patrick’s Historic Chapel Organ

Special thanks to Gene and Kris Mullenberg for donating a small chapel organ from the old, old St. Patrick’s (two churches ago). The organ does not currently work, but it is a historic piece of the parish and beautiful work of craftsmanship. Right now, it is in the church’s side chapel. They received it from Dr. Hillisheim of Faribault around the year 2000. If anyone has any more information about it, please let me know!

Holiday Open House

St. Patrick’s annual Holiday Open House hosted by CCW will take place on Saturday, November 15th from 9am to 3pm. Come check out the crafts and gifts!

Faith Formation Cemetery Visits

Our faith formation students at both Most Holy Redeemer and St. Patrick’s visited the parish cemeteries recently. The students were reminded that cemeteries are not places to be afraid of, but places of peace, respect, and prayer. They were especially amazed by the gravestones from the 1800s!

-Fr. Timothy

*In loving memory of*  
**Ray Chlan**  
*By the Chlan Family*

Last week, we joyfully celebrated All Saints Day with students and staff dressing up as saints. Fr. Timothy even joined us as St. Francis of Assisi! It was a wonderful reminder that we are part of the great communion of believers, both on earth and in heaven. The saints show us that holiness is possible in everyday life, and through their examples, we are encouraged to live with joy, courage, and faith. As we enter November, our focus naturally turns to thanksgiving. It’s a time to pause and recognize the many blessings God has given us, our families, homes, food, clothing, and the gift of community. We are called to see these not as things to take for granted, but as daily reminders of God’s goodness. Let us take time this month to express gratitude and to teach our children to do the same. As we approach the end of the trimester, our focus remains on helping each child grow and succeed. Our teachers are dedicated to supporting and challenging students, encouraging them to do their best and to persevere even when things feel difficult. With your encouragement at home and our shared efforts here at school, we see students growing in confidence, perseverance, and faith every day.

In Christ,  
Mrs. Marsh
