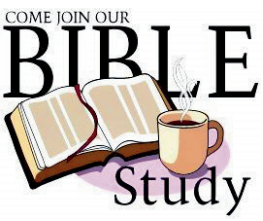
ADULT BIBLE STUDY

The Book of Numbers

Thursdays, 6-7:30pm

Jan. 13 – April 7



The book of Numbers wraps up a long and eventful stretch of time spent by the people of Israel near Mount Sinai, where God prepared them for entering the Promised Land. But because of grievous realities emerging about themselves-and the resulting further lessons they need to learn from God-their journey is sidetracked and is stretched to four decades spent in the wilderness. This book vividly portrays this tragedy, along with the overriding compassion and faithfulness of God.
