

Building on Our Past - Securing Our Future

Dear Members of the St. Vincent de Paul Church and Community:

“**With God, all things are possible**” (Mt. 19:26). Over the past 2 years, we at St. Vincent de Paul have walked together through a pandemic, cultural changes and social strife. With God, we have weathered the storm and maintained our call to be joyful disciples in a world that needs to see friendship and unity.

I often reflect on, and frequently tell others who I come into contact what makes St. Vincent de Paul such a special place? It's the people and their community of faith -- and their love of Jesus. We have supported one another in times of need and separation. The hallmark of our parish is friendship, unity and Christian charity. It is exemplified by the camaraderie in our parish clubs and organizations. The commitment shown by those in our ministries. Selfless volunteers at the parish and school have brought vitality. We have been blessed with caring and faithful priests. And generations of families who were baptized and received the sacraments, graduated, and were often married here. It's young families raising the next generation of Catholics, and our newest members who arrived wanting to be part of a spiritual community. We have received many blessings for which we are most grateful. All that is asked of us is to be stewards of what we have received, *and share a portion of our... Time, Talent and Treasure*. In this way, God's mission and that of our parish can continue.

Along with the blessings, it is important that we restore St. Vincent de Paul Parish back to the same level of solid financial ground that it had been on for many years. The pandemic took a toll on all of us, and it also took a toll on the church. Weekend mass restrictions and individuals leaving the city and parish had a significant impact on the regular Sunday offertory collections. Through this *Offertory Recovery Program: Building on Our Past - Securing Our Future*, we are looking for a renewed commitment from you. If you are not able to contribute financially at this time, please continue your active participation in the parish.

Please review the annual financial information within this brochure and prayerfully consider: How can you and your family help the parish grow? Understandably, the parish priests and a few individuals can't do this alone. *We need all parishioners and school families, to come together -- united through God's love to work toward this common goal. Everything we have is a gift from God; therefore, we should give everything back to God generously. This is real love demonstrated through our actions.*

At the weekend masses on April 30th and May 1st, we will be holding a special “Commitment Weekend” inviting all members *who are able* to make a financial commitment that will allow the St. Vincent de Paul community to meet our needs and continue to thrive. **Please participate and share a portion of what you have received.**

Thank you for your prayers, generosity and commitment to the St. Vincent de Paul community.

Yours in Christ,

Fr. Michael J. Healy

Building on Our Past -

PRAY

Our faith journey is never at an end. We know that prayer and participation in the sacramental life are the best ways to grow closer to Jesus Christ.

SHARE

As disciples of Jesus Christ, we are called to share the Gospel message with the world. We are able to carry out our mission of evangelization, helping more people to know and love the Lord. Your generous giving helps to ensure that all within our community can grow in faith, hope and love.

PARISH SCHOOL

St. Vincent de Paul has a highly regarded parish school with a century old (since 1924) legacy of learning, while envisioning the future. Students take risks, challenge assumptions, and learn by thinking innovatively. All while growing courageously in their relationship with God.
