CHRISTMAS FAIR

**Saturday Dec. 3
Planning beginning now!**

OCTOBER 9, 2016 28TH SUNDAY IN ORDINARY TIME

Dear Parishioners,

This weekend's reading has the well known story about Jesus healing the ten lepers and only one coming back to thank Jesus. The one who came back was a Samaritan, meaning he was not even one of the chosen people. There may be many reasons why the other nine did not thank Jesus for what he did for them. It could be they felt entitled because they were religious; it could be that they were so busy rejoicing that they forgot; it could be they ran to their family to share the good news; it could be that they do not think they needed to; or it could be that they might think that their healing was due to something other than Jesus.

Whatever the reasons for nine of the ten who were healed by Jesus to not come and thank Jesus, the Gospel focus' on their lack of expression of gratitude. It causes me to stop and think of the many things for which I thank God. The first and most important in my life for which I am grateful to God is being your pastor here. I tell people all the time how lucky I am to be here with so many caring and wonderful people. Even among the challenges of four places to pastor, God has blessed me with loving and caring people in each place who would do anything for God and the parish. Therefore on this weekend with the proclamation of this Gospel, I need to thank God first for my vocation and my assignment here. Moreover, I have to thank so many of you for all that you do for your faith.

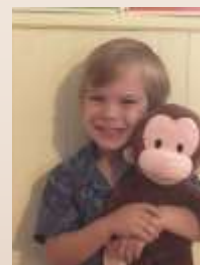

From Monday to Thursday, I will be at Marie Joseph Spiritual Center in Biddeford Pool to be on my yearly priest retreat required by Canon Law. The Church requires all priests to go on retreat for a week each year to pray and think about spiritual things. In the Church's wisdom, it asks this of the priests because it knows how easy it is to turn the vocation into just a job or the parish into a business. There are so many aspects of the priest life that is secular and business-like, but these activities are only a means to a greater end of building a community of faith with God at the center. A parish is first a place where communion is sought with God and each other as we journey through this life together. Please pray for me and know for sure that I will be praying for you this week.

Since I mentioned the business side of the parish, I wanted to update you on the capital projects happening at each Church site. The parking lot at Holy Martyrs should be starting this week. The new sign and the installing of LED lighting at Sacred Heart should be completed soon. New doors for the parish center at St. Gregory will hopefully be completed before the snow falls. We found someone to work on the sound system and microphones at St. Jude as well as the cabinet for Evelyn Frazer's small shop is almost completed. We are trying to stay ahead of the care of our buildings and grounds. Thank you to all who volunteered to help us care for our space.

Peace,
Fr. Daniel.

Please take the time to pray for the following people...

Pray for the Madore family, especially Andy who is recovering from brain surgery performed at Maine Med Thursday.

Cecile Levesque, Claire's mother, had cardiac surgery at Maine Med on Wednesday. We pray for an uneventful recovery.

Nat Runge remains at Mass General. If you would like to help Jen and his family in any way, please see updates posted on the [caringbridge.org](https://www.caringbridge.org/visit/natrung) website at <https://www.caringbridge.org/visit/natrung>. There are also ways you can support them in their time of need.

Please keep these three in your prayers this coming week. If you want to request prayers for someone in need, please free to contact Fr. Daniel Greenleaf at daniel.greenleaf@portlanddiocese.org.

It is important that we get the approval from these individuals first in order to protect their privacy.

ANNUAL PARISH HAYRIDE & POTLUCK SUPPER AT WOLFES NECK FARM

185 Burnett Rd
Freeport
Friday October 14
5:30 pm

Join us for a fun family fall evening. We will have a hayride, good food, hot drinks, and roasted marshmallows. Everyone is welcome. Please bring a dish to share for the potluck supper.

For more information, contact Teresa Weeks at 829-6223 or tweeks04032@yahoo.com

Work will begin on the parking lot at Holy Martyrs in Falmouth on Monday, October 10. Please note that parking may be limited to certain areas during the week, depending on what part of the lot is being worked on. We hope to have the full lot available for the weekend Masses. As part of this project we will be looking at the grounds. Several trees and shrubs have been removed to facilitate the paving project. If you know of any plantings that are "memorial" pieces, please let Fr. Daniel or Elizabeth know.

Thanks to all who have contributed and pledged to the parking lot campaign. At the time of bulletin publication (Tuesday) we have donations/pledges of around \$55,000, 61% of our goal.

We remember our Veterans (both deceased and alive) during the month of November. We are collecting the names of veterans to be remembered. Please go to our website to enter names in our online form. If you prefer, you can call the office (847-6890) and we can take the name over the phone. The names of veterans will be listed in the Veteran's Day weekend bulletin in November.

It's time to start the planning for our annual Christmas Fair, to be held on Saturday December 3. This is a wonderful community building event for our parish, bringing together parishioners from all our churches working together. If you have helped in the past, we need you!! If you are new to our parish or have been too busy in previous years, we need you!! Planning is just beginning Please call Elizabeth at the office (847-6890) to learn more.

Fellow Holy Martyrs Parishioners,
What a difference a week makes! I'm happy to share that as of Tuesday morning we've raised \$55,435 and equally impressive is that 113 families have contributed!

In a way fundraising is sort of a like running a marathon – it is not about speed, it is about finishing. And finishing for me means – raising \$90K and having 100% participation. So if you haven't made a donation yet, please do so at whatever level you can afford! Thank you for your patience and prayerful consideration of my appeal.
Paul

Surviving the Holidays Seminar: DVD and Small Group Discussions

Thursday, October 20, 2016

6:30-8:00

Sacred Heart Church Hall

Refreshments will be served.

Sponsored by: Grief Support Ministry

When we lose a spouse, family member, or friend, Thanksgiving and Christmas can be especially painful. Join us for a seminar on "Surviving the Holidays." Listen to the experiences, reflections, and tips of those who have made it through the holidays after enduring a loss. Meet other parishioners with whom you can share your thoughts.

A Message from the pastor of our sister parish in Haiti:

"We are getting hit by Hurricane Matthew with a lot of rain and wind. It is going to be very difficult for Haiti which already is well acquainted with crises in economics, politics and natural disasters. The misery of our poor people will increase because they are only "gardeners" -- parce qu'ils ne sont que des jardiniers. Matthew has devastated everything. People will have difficulty feeding their families."

Father Bertrand Dieuville, Sacred Heart of Meyer-Jacmel.

As we get more details we will provide what assistance we can. After the earthquake we were able to send money so the pastor could buy rice and beans to distribute to the parishioners.

The Social Justice Commission will be having their monthly meeting at Sacred Heart on Thursday October 13 at 6:30pm.. Please join us to learn more about our work in Haiti and upcoming Holiday projects. All parishioners are welcome.

CUMBERLAND/FALMOUTH FOOD PANTRIES: We are experiencing a 16% increase in numbers of people utilizing the pantries since the opening of school. This is unlike previous years and it has had the volunteers concerned about donations. You have always responded to the request for help--which is our reason for asking--soups, pasta, cereals [hot/cold], canned vegetables, canned meats, beef stew, toilet tissue, and shampoo. THANK YOU FOR BEING YOU! Jack Mullin

St. VINCENT de PAUL CLOTHING PROGRAM: As our summer came to an end so did the need for light clothing--we are now in need of warm sweaters, jackets, pants, socks and shoes

for women and men. This very successful FREE program is only successful when the urgent needs are met. YOU have been the leading source of fulfilling these needs for the past six years! We THANK YOU for YOUR continuing strong support--we pick up daily at the Narthex! GOD BLESS YOU! Jack Mullin
