Letter from Bishop Deeley on Question 1

"FLAME" SACRAMENT RECONCILIATION RETREAT
November 5 at Holy Martyrs

OCTOBER 30, 2016 31ST SUNDAY IN ORDINARY TIME

DIOCESE OF PORTLAND
OFFICE OF THE BISHOP

Statement from Bishop Robert P. Deeley on Question 1

In November, Maine residents will cast their vote on Question 1, which seeks to decriminalize the recreational use of marijuana. Passage of this referendum would make it legal for your children to possess marijuana, a fact recently confirmed by Maine Attorney General Janet Mills.

In a particularly inflamed political climate, perhaps it is best to use the example of another state that has gone down the path Maine is considering now. Examine the devastating impact felt in Colorado since the commercial sale of marijuana began in January of 2014. A comprehensive report issued last month by the Rocky Mountain High Intensity Drug Trafficking Area states that since marijuana has been legalized, marijuana-related traffic deaths have increased by 62 percent and marijuana-related hospitalizations have increased by over 30 percent.

The use and abuse of marijuana by the youth of Colorado has increased by 20 percent since legalization. The young people in Colorado rank first in the nation for marijuana use, an illegal activity for anyone under the age of 21. It should come as no surprise that expulsion and dropout rates have spiked significantly; family lives have been negatively affected; and anxiety about public safety has risen.

Do we really want to bring these issues to Maine families, schools, and communities?

Marijuana represents a significant part of substance use in America and adversely affects the health of millions of Americans. The widespread use of marijuana, particularly by young people under the age of 18, is steadily increasing while scientific evidence clearly links its long-term damaging effects on brain development. The National Institute on Drug Abuse states: "When marijuana users begin using as teenagers, the drug may reduce thinking, memory, and learning functions and affects how the brain builds connections between the areas necessary for these functions. Marijuana's effects on these abilities may last a long time or even be permanent."

Legalizing a drug for recreational use that causes these effects on the human body, particularly our youth, is not a path that civil society should choose to take. Maine is currently waging a losing battle against opioid abuse. Our attention must not be diverted from that health crisis, nor do we want to add fuel to the problem by increasing the number of marijuana users who might one day "graduate" to other illegal/illicit/proscribed substances. The legalization of marijuana can only serve to worsen this crisis.

The Catholic Church teaches "the use of drugs inflicts very grave damage on human health and life. Their use, except on strictly therapeutic grounds, is a grave offense." The diocese hopes that voters will listen to doctors, public safety agencies, and substance-abuse professionals who have expressed their opposition to this dangerous prospect.

Legalizing marijuana sends a message to our young people that this recreational drug use is acceptable. I join the Maine Medical Association, the Maine State Chiefs of Police, the Maine Association of School Nurses, the Office of the Attorney General, and many others in opposing the legalization of marijuana. I urge the voters of Maine to vote NO on Question 1 on November 8, 2016.

RCIA — the Rite of Christian Initiation of Adults

Many adults entering the Catholic Church, or those just thinking about it, follow the RCIA process, which includes several stages, each one unique, meaningful, and richly grounded in Catholic tradition. The first stage is Inquiry. If you are thinking of becomng Catholic or if you have been baptized Catholic and wish to receive the sacraments of Confirmation and Eucharist while renewing your faith and practice, **Inquiry evenings** are an opportunity to speak with a small informal group of other inquirers, our priest, and parish mentors. Perhaps you have questions and uncertainties about some of the Catholic Church's teachings and traditions?

St. Gregory Church Thanksgiving will soon be upon us! It has been a tradition at St. Gregory's to collect food for holiday baskets to give to those among us locally in need.

It is a wonderful way to celebrate the season and your generosity and compassion is always a blessing!

A suggested list of food items and bags will be distributed at Masses the weekend of November 5 - 6.

Food donations will be collected the weekend of November 19—20.

Pat Palmer and Chris Lehay are coordinating the project. Contact - Patpalmer.patricia24gmail.com, telephone - 865-3050.

Sacred Heart Church will appeal for food donations and cash contributions. With your help, the church will offer bags of groceries to families in Yarmouth and other areas. Annual Financial Report to Parishioners

July 1, 2015-June 30, 2016

Dear Parishioners,

Each year the pastor is required to present to the parish the financial report as part of the call to be a good steward of the resources entrusted to him by the parishioners. However, as important as the financial health of the parish is, I believe spiritual health is more meaningful. I would like to draw your attention to the back page for some very interesting information about the work and activities of the parish. The pastoral, sacramental, formational and outreach ministries we do as Catholics are the reasons we exist. This year, our Parish Council spent time reflecting on a mission statement to help us guide our activities throughout the year so that we could evaluate all the "stuff" we do as a parish. It is important to be able to assess if the activities that keep us busy work toward the mission of the Church. I am always impressed with the dedicated and faith-filled people who give of themselves to God and the parish. We continue to grow with a significant number of new parishioners this year, baptisms, and other celebrations that speak of how so many are alive in their faith.

We as your parish ministers faced several family and health situations this past year that drew us closer together as we cared for and ministered to one another. We had staff members recover from significant surgeries; we had some who had to give care to family and friends; and we lost loved ones who died this past year. We do believe that as we experience these trials and crosses, God is calling us to a deeper communion with him and each other and this calling has bonded us in deeper ways.

I would like to include in my remarks a big "thanks" to the members of our Finance Council who have worked throughout the year to have careful oversight of our financial situation. Their input along with Linda Howard and her staff, have made great progress in organizing our parish and keeping it sustainable. Please join me in extending to them a deep sense of gratitude for their time and effort. The Parish Council, under the directly of Kathy Coster, has been great this year as it helped us focus on the important elements of ministry. I would also like to thank Georgette Dionne and her staff as she tries to address the many different issues facing faith formation in today's family life. My gratefulness extends also to Elizabeth Rosquete and her staff of volunteers who keep the office working smoothly and who organize the many parish activities. We clergy who serve in the parish only do so with dedicated and caring laity who work with us. We are all so very thankful to God for them. As I begin my fifth year, it has become very noticeable that the dust has settled with the clustering process and we now need to get to work at becoming the best expression of a Catholic parish family that we can be.

Finally, I would like to thank all of you. God has been very good to me in placing this parish in my life. We are blessed with wonderful people and ministries that make pastoring here a true delight. And so I have to say, I thank God and I thank you for another wonderful year.

Peace,
Fr. Daniel Greenleaf, Pastor

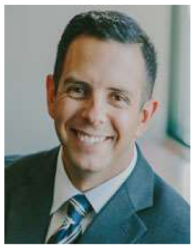
A message from Chris Norton, Finance Council Chair

On behalf of the POTHE Finance Council, thank you for your continued generosity and support of POTHE through the 2016 fiscal year. We were blessed to have our total unrestricted offertory revenue come in about 13% higher than we budgeted for which helped to offset some significant expense increases associated with maintaining our 4 worship sites. Although we entered our 2017 fiscal year on July 1 with a balanced budget, we assumed a very minimal increase in offertory income which did not allow us to plan for a lot of major maintenance and repair needs at our four churches.

As you may know, our Parish is in the process of working to secure funding for the following projects:

* *Major parking lot repair and improvement at Holy Martyrs*
* *A/V equipment upgrades at numerous worship sites*
* *Door and window replacement at numerous worship sites*
* *Heating efficiency upgrades*
* *Parking lot sealcoating at St. Gregorys*
* *Water heater replacements*
* *Sign replacements*
* *Tree removal and landscaping repairs*



We ask that you prayerfully consider what you may be able to do in order to help support these necessary facilities improvements. Many families are using e-giving and finding that contributing an extra 5-10 dollars per week is very easy. The collective impact of many hundreds of families doing this throughout the Parish will have a profound impact on our ability to fund these projects and meet our annual spending needs. We are fortunate to be part of a Parish in which we have four beautiful worship sites all within 30 minutes of each other, and we are doing our best to allocate resources to ensure that all of our churches and buildings remain open for use, safe, and secure. My contact information is located on the POTHE website, please reach out to me anytime if you would like to discuss our Parish finances.
