From our Deacon

As the CLI parish coordinator for the Parish of the Holy Eucharist, my responsibility is to assist Fr. Greenleaf help us grow as disciples of Jesus and to equip each of us to go and make disciples of others. I am excited to share with you that our parish has been selected to participate in a national pilot study run by Catholic Leadership Institute, as part of the Diocesan 5-year partnership initiative. This study involved a survey to identify how we are growing spiritually as individuals and the ways in which our parish community supports that growth.

The survey takes about 10-15 minutes and will:

- Allow each of us to reflect on our spiritual growth and discipleship
- Identify the ways in which the parish effectively supports that growth
- Look at opportunities to support that growth more in the future
- Create goals and action plans to achieve that growth

The web-based survey will be conducted by an independent third party, Measuring Success, from the weeks of February 6 through March 6. It is important that as many as possible respond to this survey. Our goal is to ensure that we hear all voices. There will be hard copies available for those who don't have access to a computer.

Soon, parishioners will receive a letter inviting them to respond to the survey that will include instructions. This survey offers us a unique and important opportunity to learn about issues of importance to families in a confidential and professional way. We very much appreciate your enthusiastic support for this survey and thank you in advance for the encouragement that you will provide. Thank you for your support,
Deacon Dennis J. Popadak, CLI Parish Coordinator ,Disciple Maker Index Survey

Please take the time to remember in your prayers

World Marriage Day and the Blessing of Marriages

February 12 is World Marriage Day and as a custom in the parish, we will be blessing all marriages at the conclusion of Mass on that weekend. World Marriage Day honors husband and wife as head of the family, the basic unit of society. It salutes the beauty of their faithfulness, sacrifice and joy in daily, married life.

Blessing of Throats
Next week we will be celebrating the feast of St. Blaise, February 3. He was the bishop of Sebaste in Armenia during the fourth century. Very little is known about his life. According to various accounts he was a physician before becoming a bishop. His cult spread throughout the entire Church in the Middle Ages because he was reputed to have miraculously cured a little boy who nearly died because of a fishbone in his throat. From the eighth century he has been invoked on behalf of the sick, especially those afflicted with illnesses of the throat. It has been a custom that we offer a blessing on the weekend before his feast day. This blessing will be given after the masses next week. The blessing of St. Blaise is a sign of our faith in God's protection and love for us and for the sick.

World Day of Prayer for the Sick and the Celebration of the Anointing of the Sick—The Weekend of February 5 is World Day of Prayer for the Sick. It is always before the Sunday before the Feast of Our Lady of Lourdes, which is February 11. It is very appropriate to celebrate the Sacrament of the Anointing of the Sick. As is the custom here in the parish, each church will celebrate the Sacrament at one of the weekend Masses, 8:30 at St. Gregory, 9:30 at St. Jude; 10:30 at Holy Martyrs, 11:00 at Sacred Heart. If you would like to sign up to be anointed that day, please contact the rectory at 207-847-6890 or go online at www.pothe.org and fill out the request form. It would be a great day to take an elderly parent, friend in assisted living or a neighbor who is homebound to Mass this weekend for the anointing. Not only does it speak of our care for the sick and lonely but of our obedience to the command by Jesus as faithful Christians. Teaching on the Sacrament of Anointing of the Sick. A sacrament is an outward sign established by Jesus Christ to confer inward grace through the power of the Holy Spirit. The Anointing of the Sick, formerly called Extreme Unction, is for all Catholics as a means to bring both spiritual and physical strength. These include those who (1) suffer from illnesses, (2) who are scheduled for surgery, treatments for disease, or who experience a sudden medical crisis. The anointing of the sick is often administered outside of the "Last Rites" and it should not be delayed without good reason. The sacrament is appropriate for (3) the elderly weakened by advanced age or suffering from chronic or long-term illnesses. The sacrament may be repeated (4) if the sick person's condition becomes more serious or relapse occurs after recovery. The person afflicted has no need to explain the reason for presenting themselves. For those who are in the end-of-life stage or Hospice care, family members should contact their parish priest immediately to have their loved one anointed as a priest may not be available on short notice prior to death.
