Note from the Pastor

Dear St. Paul Parishioners,

Happy Thanksgiving

With the COVID-19 pandemic and the current spikes we are seeing across the country, Thanksgiving this year will be unlike any other we have experienced. For those of you who will be alone or feeling isolated over the holiday, I want you to know we are praying for you and your needs. It may not seem like we have a lot to be thankful for this year, but, in fact, we do have a great deal for which we can and should be thankful. As a community, we have safely reopened, abided by new protocols, and we have been able to celebrate Mass with you all in the safest possible way since June. In addition, we have been able to livestream Masses so as to continue to engage and reach into the lives and hearts of those unable to join us at Mass. Our basement renovation—a project on the back burner for decades—is nearing completion. Though we have faced some increased financial challenges during the pandemic, the generosity of our parishioners and benefactors has been exemplary. On a personal note, I am truly thankful for the outpouring of support and prayers for me, our staff, and for our ministry. I cannot express in words how deeply touched I am to hear so many people tell me how they are praying for me and this ministry. To have a pandemic break out in my first year of pastoral leadership was not something I could have imagined in my wildest dreams. But your support has helped all of us here at St. Paul's keep going in the face of the challenges. Thank you from the bottom of my heart.

Christmas Sharing

As grateful as I am for your support, I would like to ask each of you to help our parish's Christmas Sharing program. This program provides Christmas presents for families in need. This year there is greater need than ever. We cannot do it all, but our Christmas Sharing program is a wonderful opportunity for us as a community to serve in a particular way those who are struggling the most because of the pandemic.

One of my favorite sights at St. Paul's has been the overflowing of packages in the weeks leading up to Christmas. It is always such a beautiful witness to hope and to our community's generosity. This year, we won't be able to have that image, but we can still provide that hope to the people we serve.

Please consider making a cash donation this year so that our shoppers (many of whom are students eager to serve) can purchase the gifts. Christmas, like Thanksgiving, won't be the same this year, but we can make every effort to make it better for those in need.

40 Hours Devotion: Preparing for Christmas

During the season of Advent, the readings and prayers of the Mass explicitly prepare us for the coming of Christ. The Incarnation—God becoming a human being and taking on everything humanity has to offer except sin—is a central tenant of our faith. During Advent, we often prepare for Christmas with renewed efforts to pray, some make time for Confession. This year, because of the pandemic, these will be harder to do as a community.

Therefore, from 8pm on December 8 until 12:15pm on December 10, St. Paul's will celebrate the 40 Hours Devotion. During this entire time, we will have Confession and Eucharistic Adoration available. On December 9 at 7 pm, Tim Gregson will lead a Lessons & Carols celebration (which will be livestreamed for those unable to attend). These two days are an opportunity to pray, sing, go to Confession, and prepare in a simple way for the birth of Jesus. I hope you and your family will join us for an hour.

Sincerely yours in Christ,
Fr. Patrick

Message from Bridget McIntyre

Dear Friends,

With deep care and concern, I announce my transition out of ministry at St. Paul. I will begin teaching full time at Bloomington High School North in the Practical Arts Department on November 30th.

Anticipating transitions in programming at St. Paul, my new teaching position will provide stability that my family needs. I believe that God will continue to work through me in the high school as in my ministries at St. Paul. I will continue my advocacy for youth and their families as a teacher and hope that I get some visits from St. Paul youth at BHSN!

It has been a great blessing to grow with you on your faith journey. I have never taken for granted the trust you have in the Religious Education program at St. Paul. Thank you for being a witness of great faith to me and my own family.

Many blessings,
Bridget

Catholic Campaign for Human Development

Please be generous in this week's special collection for the Catholic Campaign for Human Development. In the United States, one in six people lives in poverty. With this collection, you support programs that address the causes of poverty and provide a sustainable future for those struggling across the country. In addition, 25% of the funds we collect will remain in our diocese to fund local antipoverty projects. Please prayerfully consider how you can support this collection and work on the margins. More information about the Catholic Campaign for Human Development can be found at www.usccb.org/cchd/collection.

Christmas Sharing Program

In past years huge Christmas trees were in the Gathering Space loaded with decorations listing gifts for needy families. Parishioners would take one or more of these decorations, purchase and wrap gifts, then return them to Church for distribution. Due to Covid-19 church attendance is limited and socializing discouraged. But the Christmas Sharing Program continues in a different format.

This year we are requesting funds to reimburse the sponsors and students who will purchase gifts for the 45 families asking for Christmas charity. You can contribute online (designating Christmas Sharing Program), just send a check with Christmas Sharing Program indicated, or leave a donation on the Christmas tree table in the Gathering Space.

LIVE THE LITURGY

Inspiration for the week

Titles and privileges, palaces and guards, banquets and benefits, servants and fine living, are all things earthly folks associate with kings and royalty. These have no place in Christ. To understand the kingdom of Christ and what it means to have Christ as our king, one must be willing and able to understand transformation, engagement and empowerment. To live in the kingship of Christ, we have to live deeply and contemplatively; allowing God to change not only how we act, but how we feel, think, and see. It is not an easy journey or one that is always welcomed. Sometimes, it is easier and safer to live as if Christ were our earthly king. It's a more black and white world. But the kingdom of Christ exists in a world of gray where the hungry, thirsty, those who are strangers, naked, ill, and imprisoned find a welcome home. It is a kingdom that doesn't always make sense, where the last are first and the weakest are most strong. World economics and secular philosophy doesn't like this kind of king. Maybe that is why they crucified him the first time and continue to. Whatever we do to the least of God's children, we do to God. Do you really want to inherit the kingdom?

thanks to
