Understanding the need for "likes"

Children and teenagers are spending more and more time connecting with their friends on social media. Research shows that people are hardwired to find social interaction and communication rewarding, and on social media, rewards come in the form of "likes." Although apps like Instagram have recently moved to change how "likes" are seen on photos and videos, the drive to post something "likeable" is still there, and many users may feel the need to test boundaries to drive them up. It's important for parents to understand the enticing nature of these apps, and to talk to their children and teens about internet safety and social media use. For more information, visit: <https://www.missingkids.org/content/ncmec/en/blog/2020/love-of-likes.html>.

Comprender la necesidad de los "likes"

Los niños y adolescentes pasan cada vez más tiempo conectándose con sus amigos en las redes sociales. Las investigaciones muestran que las personas están programadas para encontrar gratificante la interacción social y la comunicación, y en las redes sociales, las recompensas vienen en forma de los "likes". Aunque aplicaciones como Instagram han Avanzado para cambiar la forma en que se ven los "likes" en las fotos y los videos, el impulso para publicar algo "agradable" sigue presente, y muchos usuarios pueden sentir la necesidad de sobrepasar los límites para aumentarlos. Es importante que los padres de familia comprendan la naturaleza atractiva de estas aplicaciones y hablen con sus hijos y pequeños y con los adolescentes sobre la seguridad de Internet y el uso de las redes sociales. VXII Sunday in Ordinary Time - July 25, 2021

Missionary Appeal

segunda colecta 31 de julio & 1 de agosto

Desde Tijuana, Baja California, México, de antemano les agradezco su atención y preocupación por el servicio misionero de la Iglesia. Mi nombre es Ignacio Verdier y soy sacerdote uruguayo trabajando en esta ciudad hace más de 25 años. Permítanme contarles brevemente el trabajo que desarrollamos, no solo en esta ciudad, sino en varias otras en Sudamérica.

Pertenezco a la Institución Dalmanutá, una congregación nacida en Uruguay hace más de 40 años, fundada por el sacerdote jesuita Luis P. Montes y el P. Ernesto Popelka. El nombre de nuestra congregación -que está integrada tanto por religiosos como religiosas- puede servirnos para explicar nuestro trabajo. Dalmanutá es una región de Tierra Santa mencionada solo en Marcos 8, 10, a la cual se retiró Jesús a solas con sus discípulos luego de la multiplicación de los panes, así que, aunque el evangelio de Juan no lo menciona, podemos imaginarnos que el diálogo que escuchamos hoy en la lectura ocurrió ahí. A diferencia del momento de la multiplicación de los panes, en que Jesús predicaba a la multitud, en Dalmanutá Jesús se retiró a solas con sus más cercanos. Nosotros tomamos entonces este nombre para significar un espacio de relación personal con Jesús, más cara a cara, más en el silencio, que expresa muy bien nuestro apostolado específico: la Dirección Espiritual. En la Iglesia tenemos muchas instancias de atención más de tipo grupal o comunitaria: retiros, charlas, misas, apostolados, cursos, movimientos, etc. Pero también está la otra cara de la moneda, en que la Iglesia se nos acerca personalmente, individualmente, ayudándonos a discernir la voluntad de Dios sobre mi vida en particular, a responder preguntas personales. Dentro de este trabajo no de tipo grupal, sino uno por uno, está la dirección espiritual. Nosotros en particular nos inspiramos en la espiritualidad de San Ignacio de Loyola, y al mismo tiempo incorporamos en nuestro trabajo aportes que nos brindan la psicología profunda y la antropología moderna para enriquecer nuestro servicio a favor de la Gracia en las almas.

Nuestra congregación se fundó en Uruguay, pero también tenemos casas en Argentina, Brasil y México. En Tijuana estamos desde 1994, en donde, paralelamente, atendemos la Capilla de Santa Teresita del Niño Jesús. Somos dos sacerdotes y dos religiosas que estamos dedicados a tiempo completo a este apostolado, dirigido particularmente a jóvenes, pero también atendemos parejas, religiosos, religiosas y sacerdotes de toda la ciudad y localidades vecinas. En una ciudad con un alto índice de movilidad, en donde las relaciones son tan frágiles, y a la gente le cuesta tanto arraigarse, nuestro trabajo ayuda a que cada uno encuentre sus raíces en lo más profundo, en su relación fundamental, con Dios, y desde ahí construir relaciones duraderas y sanas.

La ayuda que estamos pidiendo, fundamentalmente será destinada a la formación de nuevas vocaciones mexicanas que han surgido de este apostolado de dirección espiritual. Se trata de una formación cuidadosa y exigente por lo específico y delicado de nuestro Carisma. Contamos no solo con su ayuda material sino también con sus oraciones para que el espíritu Santo, que Es el verdadero Director espiritual que guía a la Iglesia, nos ilumine con su sabiduría para decir la palabra correcta, a la persona correcta en el momento correcto ... y otras veces, simplemente no decir nada y escuchar con caridad, algo también escaso hoy en día.

Desde ya muchas gracias por su colaboración, gracias también a su párroco y que Dios los bendiga abundantemente,

- P. Ignacio Verdier
