News From St. Joseph Parish

Religious Education News

By Erin Lorch

Director of Faith Formation

Greetings! Happy New Year! This Sunday we celebrate the Epiphany. My favorite part in this Sunday's Gospel is, "They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother."

They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh." Do we make mass a weekly priority? If so, when we enter the church, do we genuflect before entering our pew out of habit or knowing in our hearts that Jesus is truly present in the tabernacle? In thanksgiving for the Eucharist, do we live our lives as a gift to others? To Jesus? Do we respond to His words from the readings in the way we engage in conversation, work life, family life, and activities? We learn over and over again in Scripture that Jesus revealed himself to ALL whose hearts long for Him. Are we making an effort to seek Him? To get to know Him? To love Him? We are so blessed at St. Joseph's to have some many opportunities to learn and grow in our faith. Keep an eye out in the bulletin, monthly newsletters, and social media accounts on faith opportunities this new year. May this calendar year be the year where we reveal the reason for our hope and deliberately celebrate the epiphany of our Lord in our lives.

Blessings!

Erin

Pastor's COLUMN

Happy New Year Resolutions!

On behalf of St. Mary's and St. Joseph's Staffs, Deacon Darwin and Deacon Ken and myself, we wish you a Happy New Year filled with many blessings.

As the new year approaches, we often make plans to better ourselves. An area that is often lost or forgotten is our faith life. A good way to start the year off right is to make the commitment to understand what it means to be Catholic and allow those truths to shape our day-to-day lives. Daily Mass, Bible Study, Confession and being active in the church are all great ways to accomplish this.

We also have the opportunity to listen to The Bible in a Year podcast with Fr. Mike Schmitz. In 365 days, we will read through the entire Bible, with Fr. Mike acting as our guide and offering insight and prayer along the way. After the Bible, The Catechism of the Catholic Church is the second most important book for Catholics. The Catechism isn't just a reference book--it's a work rooted in Scripture that discusses and explains the fundamental teachings of our faith. Fr. Mike guides us through the Catechism in a Year. To join this journey through the Catechism, visit AscensionPress.com/CIY.

Appliances

Several families have stepped forward and donated furniture for the house at 1011 15th Street. We will need to purchase a few pieces of furniture but we have received enough furniture to set up housekeeping there. We still have one major project that remains. The house has no appliances. We would like to invite members of both parishes to contribute to a fund to purchase the necessary appliances. We will need a refrigerator and stove, a microwave, a dishwasher for the kitchen and a washer and dryer for the laundry. All of you know that these are costly items but we hope that many will consider a contribution to this venture. If we work together, we will be able to complete this project that will be used by our priests for many years to come. This residence for a retired priest will serve the needs of both parishes. If you would like to make a contribution, please make the checks payable to either St. Joseph or St. Mary's and note "appliances" in the memo. A fund for the purchase of these necessary household items will be set up this week.

Use good judgment

With the increased numbers of covid, the flu and RSV cases, please use good judgment in deciding if you should attend Mass. If you are ill or do not feel well, please stay home and watch the Mass on livestream. When you are sick, your Mass obligation is no longer in effect.

Stewardship REPORT
